8. The Report on Baptist Colleges was adopted.

REPORT ON BAPTIST COLLEGES

The seven Baptist Colleges in North Carolina are continuing to increase in size, opening their doors to more young men and women each year. As of the fall semester of 1966 there were 11,414 students enrolled in the colleges. Approximately 600 of these young men and women expect to give their lives to one of the following Christian vocations: pastors, chaplains, directors of religious education, directors of church music, home missionaries, foreign missionaries, institutional workers, denominational workers, teachers, and many others. We have in recent months seen some of these graduates take their places beside our present missionaries through the Journeyman and Vista programs of our Convention.

The colleges are receiving from the Cooperative Program Funds Budget to North Carolina Baptist Colleges the total of $1,382,000.00. In addition to this, each college will share in an anticipated $120,000.00. For the year 1966 the Cooperative Program income for the seven Baptist Colleges represents an endowment in excess of $35,000,000.00. This annual income is an important factor in maintaining accreditation.

At the close of the 1966 school year the Presidents of two of the colleges, Dr. Hoyt Blackwell, of Mars Hill College, and Dr. Carlyle Campbell of Meredith College retired. Dr. Fred Bentley has been chosen as the new President of Mars Hill College, and Dr. Bruce Heilman is the new president of Meredith College. These men along with the institutions they shall serve, need our support through gifts and prayers.

May we assure all of these schools of our deep concern for this important ministry through our support as we labor together for Christ, and thank God for the Christian dedication of both Faculty and Students.

Respectfully submitted,
Edward Yancey

SUPERINTENDENT OF MISSIONS

It is a good feeling to know that one's labor is not in vain, and this is the deep feeling I have in my heart as we close this associational year. We have had the cooperation and understanding of the people in every respect. The work within the churches, as a whole, appears to be on a high level. For this we are grateful; yet there are always disappointments. By God's grace and help, we can overcome these.

As I look at my reports to the Executive Committee and the State Convention, I am also made to realize that the effectiveness of our associational program depends, in a large measure, upon the local church's use of that we have to offer. The itemized report given below indicates that this is being done.

In addition to the routine function of my duties, the following indicates the scope of our outreach:

I. IN THE CHURCHES
   A. Visits were made in all of the churches during a worship service, and I was privileged to speak in all but five of our churches at least once. Ninety-eight visits were in, and included special events in the church or those made by special request.
   B. I made 288 contacts in the field with pastors and lay people.

II. IN THE OFFICE
   A. Mailed 8,774 pieces of mail, including 5,569 copies of the Flat River Baptist News. Prepared and distributed 300 Calendars of Activities. With secretarial aid, 400 Books of Reports were prepared for the 1965 Annual Meeting.
   B. Routine promotion of the Calendar of Activities and the Associational organizations. This included 31 associational meetings and conducting the Flat River Baptist Hour.
   C. I held 493 individual conferences, 46 group meetings, and 41 committee meetings.

III. OUTSIDE THE ASSOCIATION
   A. I made 18 visits to the campus at Southeastern Seminary and regular visits to the Baptist Building in Raleigh.
   B. I attended 7 state meetings and spoke 16 times outside the association.

During the year, I traveled 13,390 miles on behalf of my work.

Through the wonderful cooperation of the churches and pastors, my work has been made much easier. 30 of our churches have contributed $7,137,04 for the support of Associational Missions. In order to meet special needs, a number have indicated an increase in their support for next year. For personal reasons, we say

"thank you" for this expression of confidence in us.

We feel that a good program has been planned for 1966-19677 with the benefit of the local church in mind. Won't you permit us to assist you.

Respectfully submitted,
W. J. Edwards, Supt. of Missions

a. The Rev. Clarence Godwin asked that the Association show our appreciation to the Rev. and Mrs. W. J. Edwards for their services rendered to the Association. This was expressed by a standing ovation.

12. Hymn: *"Love Divine"*
13. Business:
    a. Registration cards were taken up and a Roll Call of the Churches by the Clerk showed that twenty-seven of the Churches were represented.
    b. The Rev. W. J. Edwards made a motion that the minutes of this Associational Meeting be dedicated to Miss Lila Piper, our former Clerk, in recognition of her faithful services and that the Resolutions Committee include in their report an appropriate resolution for publication in the minutes. The motion carried.
    c. The Rev. Leslie Giles presented a motion for the change of the Constitution and requested that it be acted on at the first business period on October 19, 1966.
        1. That Article IV, Section 2 be changed from:
           "The Moderator and Vice-Moderator shall be elected from the floor at the beginning of the afternoon session of the first day.''
           To read:
           "The Moderator and Vice-Moderator shall be elected from the floor at the beginning of the second session of the first day."
        2. That the title of Brotherhood President in the Constitution be changed to the proper title, Brotherhood Director, in appropriate places.

        The motion carried.
14. Special music was rendered by the Rev. Marshall Tribble singing "Moment By Moment".
15. The ANNUAL ASSOCIATIONAL SERMON was brought by the Rev. Oren Elms, Pastor of Tabb's Creek Church. His topic was "Witnessing For Jesus Christ". Prior to his message, Mr. Elms read from Matthew 10.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year of life in our four Baptist Homes for the Aging has certainly been one of bountiful blessings. The Lord has been good to us, especially since our last report to the people in our Baptist Association.

Through the Special Day Offering received on the third Sunday of February each year and through the Cooperative Program, the 172 older men and women we have ministered to have been blessed by the love gifts of North Carolina Baptists. The majority have benefited directly from these gifts and have been helped at the point of their financial need.

The Special Day Offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. There has been a 5% increase in the offering from last year, but costs have advanced 7%.

We have witnessed miracles and unusual blessings from the Lord this year. There have been fewer deaths, and the critically ill in many instances have been brought back to reasonably good health.

The most outstanding situation in all the Homes is that the first resident to receive a medicare card is our oldest resident, who never takes any medication, or needs to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

The construction of our fifth Home at Yanceyville during the coming year will relieve the pressure somewhat of a long waiting list of 170 people, who need to be ministered to in our Homes.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers and the financial support of North Carolina Baptists. Please do not let us disappoint these aging people who are looking to us so urgently for help.

Respectfully submitted,
Mrs. Douglas Hite

a. The Rev. William A. Poole, Superintendent of the Homes For The Aging, expressed in the behalf of the Homes the appreciation of the Association's support.

21. The Report on the Baptist Hospital was given by the Rev. Charles Lloyd and was adopted.

REPORT OF BAPTIST HOSPITAL

Baptist Hospital has been used of God in a wonderful way to be a blessing to His people. Someone's wife, husband or child is admitted each day and are unable to pay their bill. These people are sick and need medical help. They receive this help from very capable minds and hands. Although these people cannot pay their bill for some reason, it must be paid by someone if this service is to continue. Mother's Day Offerings from our Baptist Churches, the Cooperative Program, and

Welfare Agencies make their contributions but these last two years the hospital has operated in the red.

May each messenger be challenged to carry this need back to the local church. It would be wonderful if each of our thirty two churches could increase their offering by 10%. May the Lord bless us as we join together in this Christian endeavor.

Respectfully submitted,
Charles Lloyd

a. Mr. Charles Wilson, Representative from the Baptist Hospital brought remarks on the work of the Hospital.

22. The Report on the Baptist Children's Homes was given by Mrs. Otis Huff. The report was adopted.

BAPTIST CHILDREN'S HOMES

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian Ministry of Child Care. Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. No task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Three hundred boys and girls, plus about eighty adults make up a typical Sunday morning congregation at Mill's Home. The congregation at Kennedy's Home is slightly smaller. The children out-number the grown-ups four to one. Frequently someone says to the pastor, "How do you preach to so many children?" and he replies, "Just like I would in your church or any other." And this is true, for our children are just like any other children in a typical Southern Baptist Church on Sunday morning. The only difference might be that there are more of them here, and they might be better behaved and more reverent than you might find in an average worship service elsewhere.

Sincere appreciation is expressed to all who have, in any way, helped to support our Child Care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving offering is approaching three hundred fifteen thousand dollars, ($315,000.00) and is the largest ever. Other resources of income for the past twelve months are Designations and Once a Month offering—14 per cent, and Endowment and Special gifts—19 per cent.

We covenant with you to face the future as we have in the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ, and continue to pray for them.

Respectfully submitted,
Mrs. Otis Huff

a. SPECIAL FEATURE: The Mills Home Choir under the direction of The Rev. Kenneth Little, Minister of Music and Education at Mills Homes, brought a number of messages in song.

23. Reports On Associational Work:

a. The Sunday School Report was adopted.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you:—"

Highlights of the 1965-1966 associational year were: the Associational Sunday School Night in February—one at Pleasant Grove and the other at Stovall; and the Planning Meeting for Associational Organization held at the West Oxford Church in September. The association's thirty-two churches reported 31 Vacation Bible Schools.

Your associational Sunday School Leaders suggest that the churches accept the challenge of the Five Year Spiritual Growth Program; That the churches adopt the Church Growth Program designed to discover the people who should be in Sunday School, to cultivate them through visitation, to involve them in the program of the church, to teach them the Bible in Sunday School, and to witness to them of Christ. Herein our churches will be able to reach, teach, win, and develop people in the Christian faith. We urge our churches to place emhpasis on teaching and winning adults throughout the year.

We encourage every church to observe January Bible Study Week. Plan for people of your church to attend Sunday School Weeks at Ridgecrest and Caswell Assemblies, plan to enlist more potential leaders in training to prepare them for the work of the church, and plan for more and better Vacation Bible Schools this year.

We can advance in every phase of our Lord's work, if we are willing to pay the price. Let us extend helping hands to all within our Association, by using every resource at our command to win people to Christ and nurture them in the Christian life.

Respectfully submitted,
Gilmer J. Beck

b. The Report on the Training Union was adopted.

TRAINING UNION REPORT

There were seventeen of our churches in the Association which had active Training Unions during the year of 1965-66. Some of the Training Unions experienced some growth in enrollment, while others found it very difficult to maintain the level of enrollment of the previous year. The year just passed has been a very challenging one for most all of our Training Unions, its officers and members alike, and so all who have supported their church unions with their attendance and with their willingness to serve in any capacity asked, we would like to commend you for your efforts and our prayers are that God will bless each of you in a very real way.

During the year our Training Union associational activities included our annual "M" Night program held on December 6, 1965 at West Oxford. Our attendance was good and the program highlight was our guest speaker, Dr. Alton Hood, Missionary appointee to Thailand.

Then in March we held our Training Union Tournaments at Butner on the night

of the 14th. This was probably the most disappointing of all our annual events. The only Tournament entries were Juniors. Of course, as always, this group did an excellent job. Our crowd was very small for this event.

The Associational Youth Night Program on March 19, 1966, at Island Creek turned out to be the most successful Training Union event of the year. Some 120 strong, our young people from across the association enjoyed a most inspiring message delivered by Mr. Troy Bennett, missionary to Pakistan. Following the program everyone enjoyed the refreshment and social hour sponsored by the host church.

One of the new events of the year was the Church Membership Study Week of Soul Winning which was held in May. This was a study for all age groups and was held simultaneously at Creedmoor and Delrayno. We had hoped for better attendance but for those who did attend found the course to be a most rewarding one.

One Monday night, August 29, 1966 a Training Union Leadership Clinic was held at Delrayno. This conference was held to preview the Training Union materials for this year and was led by Mr. Sam O'Neal from our Raleigh State Convention office. This conference was attended by a number of our pastors, associational and church Training Union officers and others, and all agreed that this was a most beneficial meeting on the prepared materials for the coming year.

May I say that I am most thankful for the opportunity of working in our Training Union Department of our association during the past year and I will cherish for many years my experiences of fellowship as we all worked together for the advancement of our Lord's Kingdom.

Respectfully submitted,
Luey A. Finch, Jr., Director
Associational Training Union

c. The report on the Woman's Missionary Union was adopted.

WOMAN'S MISSIONARY UNION

Woman's Missionary Union is committed to helping a church fulfill Christ's purpose on earth. The work done by Woman's Missionary Union is church work. The tasks performed by Woman's Missionary Union are church tasks.

October 1, 1964 marked the beginning of a five year plan for Southern Baptists with an emphasis on "A Church Fulfilling It's Mission" under the theme, "A Church Fulfilling It's Mission Through Education." The Convention has selected "education" as the function of the church to be emphasized in 1966-67. Woman's Missionary Union is equipped to help the church fulfill it's mission through education. During the year of emphasis, Woman's Missionary Union will focus on it's task of teaching missions.

The study of missions is significant in the life of the church. It helps the church overcome a temptation to become so involved in it's local responsibility that it overlooks it's world tasks. It confronts the church with the mandate of Christ. "Go ye into all the world, and preach the Gospel to every creature" (Mark 16:15) It keeps church members aware that they have a responsibility, not only for the people in the community served by the church, but also for people of the whole world.

Woman's Missionary Union teaches missions through units of study in Woman's Missionary Union magazines and through missions books. In addition to formal study Woman's Missionary Union members are encouraged to read the general articles and features in Woman's Missionary Union magazines and in the mission magazines of the Home Mission Board and the Foreign Mission Board.

The continuing tasks of Woman's Missionary Union in a church is to teach missions and to engage members in participation in missions at home and abroad, in helping a church fulfill the mission for which Christ established it. Woman's Missionary Union works closely with all other church organizations and with the pastor and church staff. Within the fellowship of the church Woman's Missionary Union can discover new meaning in her watchword: "Laborers together with God."

d. The Brotherhood report was adopted.

BROTHERHOOD REPORT

This has been a wonderful year in the association with the Brotherhood at work in all areas of work.

The Baptist Brotherhood is a vital part of the Southern Baptist Church. This year has brought about a New Concept in Brotherhood work. It is no longer a Brotherhood, but is Baptist men and Baptist young men.

A Brotherhood Director now heads all the men's and boys' work in the Church. He is assisted by the President of the Baptist men (25 years and older), Baptist young men (18-24), and Royal Ambassadors (9-17) Director.

The primary task of Brotherhood is to promote Missions and Mission education among Baptist men, Baptist young men and Royal Ambassadors.

One new Baptist men's group was organized during 1965-1966 at the Enon Baptist Church. This brings to 14 the number of Baptist men's groups in the Flat River Association.

Our desire is that every church in the Association have an active Brotherhood Organization.

Remember! Enlist the men in your church for Christ's Service.

Respectfully submitted,
James Sherman, Director
Associational Brotherhood

ASSOCIATIONAL MUSIC MINISTRY REPORT

Hymn-Sings were held at various churches throughout the Association during the year. These hymn-sings were designed primarily as inspirational services, but they also provided an opportunity for choirs and ensembles from many of our churches to participate in a worship service.

The Vacation Bible School Clinic featured a study of the VBS worship service

music for pianists and directors.

f. The Evangelism Report was adopted.

1966 EVANGELISM REPORT

This seems to be an age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by word and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

What can we do to help the national and world situation here at the local level? We can witness to lost people, win them to Christ, and nurture them in the Christian life. This past year our evangelistic program was highlighted by the fact that God's Spirit led 241 persons in the Flat River Association to profess Christ as Saviour and follow Him in baptism. There were 173 other additions to our churches by transfer of letter, statement, etc.

Evangelism was further emphasized by inspiring and informative Evangelistic Conferences held on the state level at Greensboro, February 7-9, 1966, and on the Associational level at the Providence Baptist Church, March 1, 1966.

Evangelism plans for the future include the Annual State Evangelistic Conference to be held at Greensboro, Memorial Auditorium Feb. 6-8, 1967 and the Associational Evangelistic Conference to be held at Mt. Zion Church on Feb. 20, 1967. It is hoped that many lay people, as well as pastors, will attend. Southern Baptists' attention is also directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the Crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the Crusade date for 1969.

There is a constantly increasing demand that every Christian and every church be committed to the task of evangelism. May God help us to be faithful to our task.

Respectfully submitted,
Leslie H. Giles

g. The report on the Annuity Board was adopted.

ANNUITY BOARD

The Southern Baptist Protection Plan, through the mail, has sent out ample information to all prospective ministers in all State Conventions. The above plan

provides age benefits plus disability and widow benefits. The cost for the above protection is 10 per cent of any amount up to $4000.00 per year. Each church is encouraged to pay the total cost; although some churches share the cost with the minister. $400.00 per year is the maximum amount a church can pay if its minister is under 60 years of age.

The Health Benefit Plan has reached 10,054 during the past year after having placed promotional emphasis on this plan.

The all-inclusive program of hospital, surgical and major medical benefits is open on a semi-annual basis. The fall enrollment will open early with November 30, 1966, being the deadline.

Benefits to annuitants through the Annuity Board's protection program amounted to almost 4 million dollars paid to age retirement, disability, or widow benefits in 1965.

Almost 51 million dollars in benefits has been paid to annuitants by the Annuity Board since its beginning in 1918.

Today the Protection Program aids ministers in more than 16,660 churches with approximately 10,764 churches paying 10 per cent dues.

We find 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged, and other Convention Agencies have protection programs with the Annuity Board. Also there are more than 28,000 members in the Board's retirement plans.

Seven states have 70 per cent or more of the churches in the program. North Carolina, at present has 48 per cent of the churches in the Protection Program for ministers.

Flat River Association has 22 churches and the Association itself participating in the Protection Program. They are named as follows: Amis Chapel, Brassfield, Bullock, Butner, Concord, Corinth, Creedmoor First, Delrayno, Dexter, Enon, Flat River Association, Florence Avenue, Hester, Island Creek, Mountain Creek, Olive Grove, Oxford, Peace's Chapel, Pleasant Grove, Rock Spring, Stovall, Tally Ho, West Oxford Baptist Churches.

The promoter in North Carolina, the Reverend Guy Cain, is jointly employed by the Annuity Board and North Carolina Baptist State Convention. For any additional information needed, contact our promoter, The Reverend Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, or The Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

h. The report on the N. C. Baptist Foundation was discussed by the Rev. W. J. Edwards and was adopted.

ASSOCIATIONAL FOUNDATION REPORT FOR 1966

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to particiwork and we are eternally grateful to each one of you for having a part in propate in during the past year. This has been a good year in Baptist Foundation

work and we are eternally grateful to each of you for having a part in promoting our work.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Right many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation, Inc.

C. Gordon Maddrey

i. The report on Christian Literature was adopted.

CHRISTIAN LITERATURE

Let us recall the instruction of the Apostle, Paul recorded in Acts 5:42, "Cease not to teach" . . . and in 2 Timothy 2:15 "Study to shew thyself approved unto God", as we look at the report on Christian Literature for 1966.

We need a continuing vision and concern for the peoples of the world everywhere at work carrying out our themes for the new year: "A Church Fulfilling It's Mission Through Education" — knowledge, skill and development of people gained through study, instruction and training.

It has been said, "where there is no vision the people perish". That vision must be of the needs, aspirations and potentials of one's fellow-man, if it is to serve as the starting point for development of personality and power for self and others. Vision may come from what is known, heard, seen—knowledge.

Where does one gain knowledge of the life and needs of the world, or help and inspiration for one's own life as in the printed pages, provided the material thereon is accurate, clean and authentic.

We are constantly searching for things in these uncertain times: something stab-

ilizing, strengthening and helpful in answering questions about the problems we face daily; the questions we must answer and the decisions we must make.

Note should be taken that there are helps.

Our Church provides us with wonderful helps for meeting situations and resolving them, and for inspiring and helping us to be and to do what God wants of us.

The tried and true friend, *The Biblical Recorder,* keeps us up to date on the questions facing us, our association and convention. Answering questions on: Shall we change our name? Which Sunday School Curriculum shall we use? What is in store for our educational institutions and social service institutions?

Moral and Theological issues are becoming more alarmingly demanding each day: Is God dead? Shall we have liquor-by-the-drink in North Carolina? Is the "New Morality" moral? Our Biblical Recorder helps us to think through and decide what stand to take on these and other issues.

We have a number of other *Publications* which are aimed at meeting specific needs for particular areas of life and work as our attention is called again and again to periodicals published by our Southern Baptist Convention, namely: *The Sunday School Builder, Training Union Magazine, Brotherhood Journal, Church Musician, Church Administration, Home Life, The Quarterly Review, The Beam, Church Recreation, Home Missions Magazine, The Commission, The Braille Baptist* and others: with innumerable tracts on many subjects that are available and free through our Sunday School Board, State Convention and our own Associational Office.

Using this *Christ-centered Literature* is perhaps our most consistently effective means of helping ourselves and influencing others for good.

In the *Bible* and in literature which is provided by God's gifted children through our church, we find resources to help us meet many needs, of which we shall mention only three:

STRENGTH: Strength so necessary to face life, and do our work. Spiritual strength is perhaps more essential than physical in meeting temptations and making decisions of all kinds.

SERVICE: Enabling power to serve our day and generation as God expects. Paul reminds us, "I can do all things thru Christ, which strengthens me." We can get acquainted with that power in Christ-centered Literature.

SECURITY: "Jesus Christ, the same yesterday, today, and forever". With the world changing so fast, how can we retain our balance, even our sanity, unless we know the unchanging Christ?

I trust this report will be a challenge to each of us that we shall resolve to study, read and place Christ-centered Literature in every available corner that the minds of the youth of today, who are leaders of tomorrow; may be focused on the essential truths: developing spiritual strength, service and security, thereby, enabling all to recognize that the circulation of Christ-centered Literature in the world is just as necessary as the circulation of blood in the body.

Flora O. Mann

STATE MISSIONS

State Missions is the arm that has been reaching out the longest for the purpose of helping humanity to be better fitted to live here and hereafter.

State Missions serves wherever it is permitted to serve and although we have a role that we use as a guidepost of its activities, such as: Mission Pastors, Evangelism, Church Lots, Indian Work, Good-will Centers, Prison Ministry, Church Development, Seminary Extension, Inter-racial Aid, Fruitland Bible Institute, Deaf Missions, New Churches, Associational Missions, Pastors' Schools, Training Union, Sunday Schools, Church Planning, Woman's Missionary Union, Girls' Auxiliary, Royal Ambassadors, Brotherhood, Music, Baptist Student Union, and Camps, lost people are found and the privilege is given to help the people know Christ as their Saviour and Lord.

The challenge is ours in the Flat River Association. Let us go forward for Christ.

26. The Cooperative Program report was adopted.

COOPERATIVE PROGRAM REPORT 1966

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people

for world wide service. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the Gospel to the far corners of the earth.

Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation. Several Associations in North Carolina have 100% of their churches giving through the Cooperation Program. Check our own Associational record and see how we are doing in Flat River Association.

With enthusiasm let us be faithful in worshipping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

We Recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.
2. That we engage regularly in prayer for Cooperative Program causes and give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis.
3. That the churches give regularly through the Cooperative Program.

Respectfully submitted,
Walter C. Mitchell

35. The report of the Christian Life Committee was discussed by the Rev. Warren Bush and was adopted.

REPORT OF CHRISTIAN LIFE COMMITTEE

During the 1967 session of the General Assembly of North Carolina, the question of selling alcoholic beverages by the drink is expected to be considered. The members of our churches should be aware of this and should use their influence to prevent the passage of a bill expanding the sale of alcoholic beverages.

In many areas of our land there has been a growing bitterness between the races. Every Christian should do all in his power to prevent the spread of hate. As a Christian one should do all in his power to create an atmosphere where all men can act as Christian brothers.

Respectfully submitted,
Warren T. Bush

36. ADDRESS: The Rev. Warren T. Bush addressed the Association on "Christian Life".

37. The General Board report was read by the Rev. Warren Bush in the absence of Mr. Leon Perkinson, the Flat River representative on the General Board. The report was adopted.

REPORT OF THE GENERAL BOARD

The General Board held three meetings during this past year with its Executive Committee meeting monthly. This has been a good year for the Baptists of North Carolina in that the churches have given full support and cooperation to the Convention and much progress has been made.

In my last report, I noted that a goal of $5,600,000 had been recommended for 1966 with a budget of $5,400,000, and if this were realized, the overage of $200,000 would be distributed to those agencies and institutions most deserving. I am happy to inform you that, as of September 30, contributions are 8.62% over the same period for the preceding year. It appears we will reach $5,860,000 for this year; therefore, the overage to be divided will be $460,000. This will alleviate, to some extent, the financial problems some of our agencies and institutions are experiencing. The base budget for 1967 is projected at $6,120,000 and the goal recommended is $6,500,000. Thus, this will provide an overage of $380,000 to be divided, if realized.

Several requests from colleges to borrow funds for capital improvements were approved by the General Board for presentation to the Convention in November.

Camp CaRaway was dedicated June 4, 1966 and this beautiful facility is now ready for full operation.

A much needed auditorium for Caswell Assembly is now in the planning stage

along with a new Administration Building at Fruitland.

The "Five Year Program of Spiritual Growth" is now being promoted with clinics being held throughout the state. There has been an excellent response to this program.

There is a fine spirit in our Baptist Churches, in our Colleges and Social Service Institutions, and it is hoped that we will continue to use our energy to strengthen our churches, to increase our Cooperative Program and to combat the evil forces of the world.

Respectfully submitted,
Leon B. Perkinson

38. The Rev. Clarence Bishop discussed the report of the American Bible Society. The report was adopted.

REPORT OF THE AMERICAN BIBLE SOCIETY

"God's Word for a New Age" is the theme for the 150th Anniversary of the American Bible Society which is being observed during 1966.

Calling the Bible an "exploded book," Voltaire predicted that it would be extinct in 100 years, but continuing demands by the world's exploding population keeps the Bible atop the best-seller list.

Today, less than 200 years since Voltaire's death, at least one Book of the Bible is available in 1,250 languages and dialects to help meet the spiritual hunger of millions, including new literates, in the world's emerging nations.

Since World War II when a lonely Marine on Guadalcanal sparked the idea by asking his parents to join him in reading the same Scripture passage each day, the ABS has developed the World-wide Bible Reading program around the globe. This program runs from Thanksgiving until Christmas.

During 1965, The American Bible Society filled millions of prescriptions for the scriptures in America and, in cooperation with the United Bible Societiesm throughout the world.

More than 745,000 copies of Scripture were given to troops at home and overseas. Thirty per cent of the 400,000 blind people in the United States were reached through 122,475 Portions and Selections in either Braille, on Talking Bible Records or tape recordings of the Bible.

The American Bible Society offered Scriptures in the Revised Standard Version, The American Standard Version, The New English Bible, and The J. B. Phillips' Translation, as well as the King James Version.

250 college libraries agreed to schedule pertinent exhibits of Scriptures honoring the 150th Anniversary of the American Bible Society.

Dr. Robert J. McCracken said, "We are Christians with a Christian conscience, Christian concerns, Christian priorities. We are obligated to make the Gospel of Christ known to all the peoples of the world." Are you giving anything to make Bibles available for millions for whom our Lord is not even a name?

Southern Baptists support the work because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people. Southern Baptists believe in the missionary importance of giving to the American Bible Society. In 1965 Southern Baptist churches gave $226,731 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U.S.A. totaled $1,333,058.

The help of every Southern Baptist church is needed. *Southern Baptist churches can continue to lead—if every church will give.* Has your church given this year? Here are suggestions, based on what many churches are now giving:

Every church can give *at least* these amounts *each year*:

Smaller churches	$10 to $ 60
Larger churches	$60 to $300
Great city churches	$300 to $600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society".

Respectfully submitted,
Clarence Bishop

d. The report of the Resolutions Committee was read by Mrs. Lonnie Nelms. **The report was adopted.**

RESOLUTIONS COMMITTEE

Be it resolved:

1. That we express to the host churches and their pastors our deepest appreciation for their warm and gracious hospitality and to the women of the host churches for the delicious meals.
2. That we thank from our hearts our most able and dedicated retiring Moderator, Mr. Carl Blake, for his faithful and zealous leadership and pledge to our incoming Moderator, the Rev. Leslie Giles, our best efforts and work in the coming months. We are grateful to all our associational officers and leaders for a job well done.
3. That we are very grateful to Miss Lila Piper, retiring Clerk, and it is the wishes of the Association that the minutes of the 173rd session be dedicated to her in recognition of her long and efficient service.
4. That we would express a special "thank you" to the Executive Committee for the splendid and challenging program and to each one who participated in any way to make this session a high light in our association's history.
5. That we would resolve to be more effective witnesses for our Lord, to be "doers of the word" and not hearers only, giving ourselves wholely and completely to the work to which we have been called.

Respectfully submitted,
Mrs. Lonnie Nelms, Chairman
Rev. James Shelley

48. The report on Home Missions was adopted.

HOME MISSIONS

The great changes occuring in the urbanization and industrialization of the nation, the population growth, the search for civil justice, and the increase of other social forces such as indifference, wealth, and immorality have dominated missions in the United States.

Every resource in Southern Baptist Home Missions is being marshaled for a creative approach to meet these changes, to discover the individual's, the church's and the denomination's mission in a changing society.

The year was characterized by strong support for Home Missions by Southern Baptists through prayer, participation, and most visibly in finances. The Cooperative Program provided $4,365,353.00 and the Annie Armstrong offering, promoted by Woman's Missionary Union, provided a record $3,573,146.00.

During the year the missionary force grew by 148 to a new high of 2,520.

The Home Mission Board assisted churches, associations and state conventions through various programs such as: evangelism, church extensions, associational administration service, pioneer missions, rural-urban missions, metropolitan missions, mission centers, Jewish work, language missions, work with National Baptists, special mission ministries, chaplaincy and church loans.

For a thorough explanation of these program services you are advised to consult the 1966 Annual of the Southern Baptist Convention.

Respectfully submitted,
Howard Morris

a. Mr. V. E. Duncan was introduced and he stated that he has been conducting Mission Schools over North Carolina.

49. A Mission Skit, entitled "The Other Woman" was given by Mrs. Marshall Tribble of Olive Grove Church and Mrs. Josephine Lyon of the First Baptist Church of Creedmoor.

50. Hymn: "Here Am I, Send Me"

51. The report on Foreign Missions was adopted..

FOREIGN MISSIONS

At the close of 1965, there were 2,070 missionaries under appointment by the Foreign Mission Board for service in sixty one countries, plus Hawaii and the Spanish Publishing House in El Paso. Two and thirteen new missionaries were appointed during the year, including missionary associates and missionary journeymen. Several missionaries were reappointed.

Missionaries were located in new countries including Austria and Libya, and a couple began language study in preparation for work in the Ivory Coast. A couple were appointed for missionary work among English speaking people in Ankara, Turkey. Approval was given to stationing missionaries in Morocco, Iran, Bermuda and South West Africa as soon as possible.

At the close of 1965, a grand total of $1,823,505.00 was received through the Cooperative Program for advance. The Foreign Mission Board received approximately $11,123,505.00. This amount represented 49.28 percent of the Cooperative Program funds received by the Executive Committee of the Southern Baptist Con-

vention.

Plans have also been developed for an extended period of orientation for outgoing new missionaries. This is an answer to an urgently felt need on many fields. Plans are also nearing completion for an improved program of missionary to call for personal dedication for service on mission fields.

It is hoped that 250 missionaries may be appointed in 1966. A minimum of $2,000,000.00 increase in the operating budget of the Foreign Mission Board is necessary in order to provide for the appointment of new missionaries and make minimum provision for strengthening work on the fields.

Missionaries in disturbed areas of the world continued to show remarkable stability amid difficult conditions. They have continued their witness in Vietnam, Pakistan, Indonesia, Nigeria, Rhodesia and the Dominican Republic amid tension and discord. They have been reinforced by the prayers of persons throughout the Convention, and their example has set a high standard of dedication for all who follow.

Respectfully submitted,
Gleaton F. Rickenbaker

Leslie Giles to the platform and turned a Book of Reports over to him and pledged his support to Mr. Giles in the future.
54. The incoming Moderator, the Rev. Leslie Giles, was in charge of presenting the new officers to the Association.
55. The Rev. Leslie Giles, Moderator, named the Committee on Committees for the next year:

REPORT ON BAPTIST COLLEGES

The seven Baptist Colleges in North Carolina are continuing to increase in size and in academic excellence. As of the fall semester 11,347 students were enrolled in the colleges. Many of these young men and women expect to give their lives to such Christian vocations as pastors, chaplains, leaders in religious education, church music, missionaries, and many others.

For the year 1967, the amount of $1,578,960.00 has been budgeted for the colleges. The Christian Education offering for this year amounted to $132,046.

May we assure all of these schools of our deep concern for this important ministry through our support by gifts and prayers. Let us labor together for Christ, and thank God for the Christian dedication of both Faculty and Students.

Respectfully submitted,
Edward Yancey

Mr. C. W. Allen, Jr., of Brassfield Baptist Church was elected to serve as Vice Chairman and the Rev. Robert R. Boone of Grassy Creek Baptist Church was elected as secretary.

At the April meeting, the committee recommended that the associational parsonage be painted on the outside, and referred this matter to the trustees.

Two vacancies on the associational staff were filled:

1. N. C. Baptist Hospital Representative—Mr. Carl Blake
2. Cooperative Program Representative—Rev. Alden Hicks

3. Brotherhood Director—Mr. George Gresham

C. During the year, I held 721 individual conferences, held 54 group meetings, and had 55 committee meetings.

D. I would express my deepest appreciation for the officers of the association for their guidance and patience with me. Also, to Rev. Warren Bush and daughters, Linda and Phyllis, in the preparation of the calendar for distribution; to my wife, to Mrs. James Shelley, and to Mrs. Gerald Rene Frazier for secretarial aid in the office.

a. The Sunday School Report was adopted.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

Your Associational Sunday School Superintendent has worked with the Flat River Baptist Association with a great deal of satisfaction during 1966-1967. Progress has been evident in some areas while in others little, if any, progress has been witnessed.

In February six of the churches participated in the Sunday School Enlargement Campaign, which helped these churches, according to reports received from them.

The year was highlighted by our Vacation Bible School efforts throughout the Association. Three standard schools were reported: Mountain Creek, West Oxford, and Pleasant Grove, and these churches are to be commended for the fine schools they held. Thirty-one churches reported schools. Only one did not report a school. There were 2,748 enrolled, 2,490 in average attendance, 40 professions of faith, and the mission offering amounted to $670.21. The churches are urged to work toward standard schools next year.

Immediately before us on October 23-25 we will be holding our Associational Central Training School at Delrayno. This will be a workshop type of clinic when we will be able to share with and receive what others have to share with us concerning our Sunday School work.

Experience has taught us that satisfying results in Sunday School work come when we plan for and prepare ourselves in reaching, enlisting, winning to Christ and the church, teaching, and nurturing in Christ. Let us work faithfully and diligently to fulfill our mission in Sunday school in the new Associational year.

Respectfully submitted,
Gilmer J. Beck

b. The Report on the Training Union was adopted.

TRAINING UNION REPORT

Convention Wide:

The concept of Training Union is rapidly changing. It is changing from the concept of "Sunday night meeting" to that of the whole training program of a church. There are three major division in this approach.

a. Church Member Training. Anything you do to train the whole membership would be included here. This could be the night meeting or planned study courses. Material entitled "Church Member Training" is available at the Baptist Book Store.
b. New Member Orientation. This is a plan for introducing all new members, including transfers, into the fellowship which they have joined. Graded material is available from the Sunday School Board of the Southern Baptist Convention.
c. Church Leader Training. Involved here is the training of leaders and potential leaders. Material by these topics are available at the Baptist Book Store.

Local:

The new concept is slowly taking on in our association. But most of the churches are holding on to the Sunday night concept. To help understand the new concept, we had a full staff to attend a clinic in Durham on March 16. This staff in turn taught the new concept at the Tabbs Creek Baptist Church during the first week in May. The attendance was poor. This director commends the leaders for preparing and doing such a good job for so few in attendance. The director, along with other leadership in the association, attended a State Briefing Meeting in Winston-Salem in August.

Our local activities included:

a. "M" night at the Oxford Baptist Church in November. The attendance was one hundred and seventy-four. The drama "What Went Wrong" was especially inspiring to the nine churches represented.
b. Tournaments at the Delrayno Church on March 13. Mountain Creek received full honors in the Junior Memory work and went on to win out on the State Level. We are proud of the hard working Juniors of Mountain Creek.
c. Youth Night at Providence on March 18. The attendance was good and the youth presented an excellent program climaxed by the Handbell Choir of the Oxford Baptist Church and a message by Mrs. Ed. Gordon, missionary to the Philippines.

We have thirteen churches reporting Training Unions and 755 enrolled. Let us work together to make this new year the best ever for Training Union.

Thank you for your support and help in our training programs. Especially we appreciate W. J. Edwards who did more than his share in all our work.

Respectfully submitted,
Robert R. Boone, Jr.

c. The report on the Woman's Missionary Union was adopted.

WOMAN'S MISSIONARY UNION

"Is as much as ye have done it unto one of the least of these . . . ye have done it unto me." Matthew 25:40.

Woman's Missionary Union is one of the five church program organizations committed to helping a Church Fulfill Christ's purpose in the world. The work done by Woman's Missionary Union is in coordination with the church and its

other organizations. Woman's Missionary Union is made up of adult women and fosters all youth organizations in the church except the R.A.'s.

Under the theme "A Church Fulfilling Its Mission," the Southern Baptist Convention has selected "Ministry" as the function of the church to be emphasized in 1967-68. Woman's Missionary Union is equipped to help the church fulfill its mission through ministry.

We are proud of the 30 churches in this association which have organized Woman's Missionary work. They are doing a wonderful job of teaching and leading missions to its members. There are 14 churches which have Y.W.A. organizations; 45 organized G.A. groups in 23 churches; and 35 Sunbeam groups organized in 18 churches.

New G.A. work has begun at Oxford Orphanage during this past year. It was started on small basis and now all girls are included from Junior through Intermediate age groups. We now have approximately 95 girls and 20 leaders. Several of our churches have shown great interest in this work by supplying leaders and giving financial support.

Our desire as Woman's Missionary Union is that every church in this association have an active W.M.U. and youth organizations as needed. Let us enlist all members of these organizations in teaching missions. As we teach missions to all our members, then we will become more deeply involved in our mission actions about us.

Respectfully submitted,
Rowena Frazier

d. The Brotherhood report was adopted.

BROTHERHOOD REPORT

Some of the Brotherhoods experienced some growth in enrollment, while others found it very difficult to maintain the level of enrollment of the previous year. We would like to commend you for your efforts and willingness to serve in any capacity of Brotherhood during the past year.

During the year Brotherhood activities included our Baptist Men's Day in the local churches in our association which was held on January 22, 1967. Several of our Baptist men and R. A.'s attended the State Brotherhood Convention and R. A. Congress in Raleigh on April 7th and 8th.

Then, of course, the Associational Brotherhood Work Shop held at Enon Baptist Church on October 3, 1967 to train the leaders of our Brotherhood in the local churches. We had very good attendance and feel a lot was accomplished.

May I say thanks to each and every one for the opportunity of working in our Brotherhood Department for the last year.

Our desire is that every church in the Association have an active Brotherhood Organization.

Respectfully submitted,
James Sherman, Director

ASSOCIATIONAL MUSIC MINISTRY REPORT

Hymn-Sings were held at various churches throughout the Association during the year. The Vacation Bible School Clinic featured a study of the V.B.S. worship service music for pianists and directors.

Plans for next year include a school of music with classes to meet areas of interest for all choir members and instrumentals.

f. The Evangelism report was adopted.

REPORT ON EVANGELISM

During the church year of 1966-1967 the 32 churches of our association baptized 168 persons and added another 148 persons to their membership. We are grateful to God for every one of these precious souls and for everyone responsible for leading them to a saving knowledge of Jesus Christ.

This represents one baptism for every 47 resident members, or to put it another way, it took 47 resident members twelve months to win one person to Christ during this associational year.

Of the 168 baptisms reported the following age digest indicates that we must be alert to every evangelistic possibility before us. Of those baptized, 15 were in the 6-8 year group; 87 were in the 9-12 year group; 29 were in the 13-16 year group; 21 were in the 17-24 year group; and 16 were in the 25 upward group.

EVANGELISM is the heart of our churches' existence. We must publicly proclaim Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, A Witness" must indeed become a reality in our lives.

Our churches face a tremendous and exciting evangelistic challenge in the *Crusade of the Americas*. This is an emphasis on evangelism that should receive priority attention throughout 1968, 1969, and 1970. Tides of unbelief, unconcern, and indifference are running—all over America. We of the Flat River Baptist Association MUST help to turn the tide. Our participation in the *Crusade of the Americas* with some challenging goals will help. Begin now by planning to observe as many of the following challenges that your church will prayerfully adopt and effectively implement:

NATIONWIDE EMPHASIS ON PRAYER—January 14, 1968 through January 12, 1969

PACT: A program of "Prayer Partners" with individuals, groups, and churches initiated in July and August of 1968

NATIONWIDE SEARCH FOR PROSPECTS—May-June-July-August 1968

NATIONWIDE VISITATION WITNESSING—September-October-November 1968

NATIONS WIDE *CRUSADE OF THE AMERICAS* in the spring of 1969 (Our dates—April 6-20)

OBSERVE SOUL-WINNING COMMITMENT DAY January 14, 1968

SOUL-WINNER TRAINING January and February 1968

PRAYER FOR AND ATTEND EVANGELISTIC CONFERENCES: Flat River, Feb. 19 at Mount Zion, State-Wide February 5, 6, 7 at place to be an-

nounced.

Materials, explanations, and personal assistance are yours for the asking. Please let me know if I can help you in any way.

Earl W. Howard

g The report on the Annuity Board was adopted.

ANNUITY BOARD

The New Southern Baptist Protection Program—The response to this New Plan for the first quarter of 1967 was most challenging, for with over 1,000 joining as compared to 685 during the same time in 1966 is enough evidence to prove the enthusiastic response.

Additional benefits for children has been added assuring them of an education as an example; as well as aid to dependent parents.

The New Plan incorporates three divisions: Plan A—Southern Baptist Protection, Plan B—Age Security, Plan C—With variable benefits.

Dividend checks of one-twelfth of a person's annual benefit was received by each one receiving a guaranteed benefit from the Board.

The dividend checks were made possible because of the excess earnings from interests on the uses of the invested money.

Ten per cent of the total salary of all participants is encouraged, for with living costs climbing, the need will be urgent. With inflationary trends rising, a $4,000 salary is inadequate at present for retirement. Ten per cent dues on the total salary is recommended as the minimum.

Approximately 65 per cent of the churches are paying for both the member dues as well as those of the church. More church members than the pastor are benefiting in many churches.

In the state of North Carolina, about 70 per cent are protected in the above agency programs.

With 22 churches of the total 32 churches in the Flat River Baptist Association participating in the above program—approximately 70 per cent furnishes us much encouragement.

We challenge all to participate in a greater way in the coming year than in the past.

Respectfully submitted,
Mrs. Lucy G. Lyles

h. The report of the Baptist Foundation was adopted.

In the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership

of these faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work of the Foundation with many new committments and marked progress developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report of the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

Talmadge Williams

i. The report on Christian Literature was adopted.

CHRISTIAN LITERATURE

Changes! Changes! Life in this modern age calls for almost daily changes. The world is constantly changing but the Gospel of Christ remains steadfast and our people need constant refueling about Christ and His work in order to face life's responsibilities.

The printed page is still the best means of reaching people, therefore the importance of Christian Literature. Unsound, unsafe, filthy literature faces us at newsstands, bookstores, and in our personal mailboxes. On the other hand, much good Christian material is available to us, almost for the asking. What are our churches doing to provide it? Does your church have any definite plans to inform its people? Is there any systematic method of placing it in the homes?

These questions lead us to seek answers as to the "WHO? WHY? WHAT? and HOW?" concerning Christian Literature.

WHO is the target audience for Flat River Churches?

Our membership, their families, and the prospects who make up our outreach.

WHY is Christian Literature needed?

To inform, to interpret, to influence our people; to feed the minds and souls; to serve as a witness; to keep us abreast of what is happening among the churches; to show us a better way of doing our work.

WHAT is available for our Flat River Churches?

The *Biblical Recorder* is surely the best and most economical means of getting this information into the homes. The Church Budget plan only costs about 4c per week. It carries both the Uniform and Life and Work Curriculum Lessons. There are numerous other publications to meet the need of every segment of life. Among these are *Commission, Home Missions,* and *Royal Service* which present missions; *Home Life and Open Windows* that are devotional in nature; *Baptist Student* for our college youth; *Braille Baptist* for our blind; then we have *Church Administration, Quarterly Review, Builder, Training Union Magazine, Brotherhood Journal, Church Musician* and dozens of others for our leadership.

HOW can we provide and distribute this material?

Essentials should be placed in the church budget and care exercised in get-

ting it to the proper places. Families should be led to subscribe to that which is not provided. Any place where people must wait for service, such as shops, clinics, and offices could be given subscriptions.

We need to rethink and restudy Christ's command to "Go Ye" and realize that the distribution of Christian Literature is one way of going. We need to take seriously Paul's words to "Study to show thyself approved" and really use the literature that is available to us. This report should challenge each of us to "Laborers together with God" as we seek to . . . "Grow in grace and in the knowledge of our Lord and Saviour Jesus Christ" through the daily use and distribution of Christian Literature.

Respectfully submitted,
Flora O. Mann
Christian Literature Chairman

22. Business:

Pertaining to the recommendation concerning the retirement of The Rev. W. J. Edwards, and which was read during the afternoon session, the Rev. Robert R. Boone made a motion that this recommendation be accepted. This motion was seconded by the Rev. E. W. Howard and was carried by unanimous vote.

23. Hymn: "In The Cross of Christ I Glory."

24. The report on State Missions was adopted.

STATE MISSIONS

State Missions should be—every Christian an active Soul Winner. If we were all a part of State Missions, as we should be, then our problems would be solved. Instead, with our meager contributions, we are only scratching the surface.

With State Missions, as they are, we are helping churches who are too weak to keep the program of Christ going; assisting in Vacation Bible Schools with summer workers; witnessing to special groups including military personnel, the deaf, migrant workers, and the retired ministers.

The challenge is great, the opportunity is here, and what we do about State Missions today, will be the mold that our world of tomorrow will be shaped from.

My prayer is that each of us may accept the opportunity to serve as a State Missions worker.

Respectfully submitted,
E. W. Greene

25. The Cooperative Program Report was adopted.

COOPERATIVE PROGRAM REPORT FOR 1967

Despite the fact that Southern Baptist have been sharing the gospel through the Cooperative Program since 1925, many do not know what this plan is. The question—What is the Cooperative Program?—is often heard.

The answer is simple. What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad—it is preaching the gospel—it is healing in the name of Jesus through hospitals and clinics everywhere—it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go—preach—teach—!"

Last year, North Carolina Baptists gave about $5.8 million through the Cooperative Program. We gave in North Carolina about $2.9 million through Special Offerings.

According to available records, our association gave $43,664 during the last year for World Missions through the Cooperative Program. This shows a $418 decrease over last year's gifts. In fact, since 1965, we have had a steady decrease in Cooperative Program gifts. We gave this year $88,739 to all mission gifts which is a $37 increase over last year. Are we growing selfish? Are we missionary? The total gifts for all causes through the church amounted to $566,538 this year and this has increased each year since 1965.

We recommend:

1. That each church plan, vigorously promote, and subscribe a worthy budget —one with which our Lord could say, "Well done good and faithful servant."
2. That each give regularly through the Cooperative Program an amount that

would not be any less than a tithe of its income.

3. That in response to the special call of the General Board of the Baptist State Convention, we increase our Cooperative Program giving by at least ten per cent this coming year.

Respectfully submitted,
Alden Hicks

34. The report of the Christian Life Committee was adopted.

REPORT OF CHRISTIAN LIFE COMMITTEE

The three major problems which still face our area is the breakdown of family life, race relations, and the use of alcohol as a beverage. As a part of our report, an excerpt from the publication TOMORROW is as follows:

"In spite of everything that we could do, the 1967 General Assembly must be labelled as a 'wet' Assembly. This is true largely because of the passage of

the brown-bagging bill. They would not give the state two years to see how things would get along without brown-bagging. The legislators voted to see how we get along with brown-bagging, and so we will do. And already the fatality rate on the highways is climbing back towards what it was last year. It was considerably under last year's record while brown-bagging was outlawed. We must be ready two years from now to make some changes in this law, and you must elect the Senators and Representatives from your counties and district who will be willing to make these changes for the better.

Our greatest victory in the Legislature was the defeat of Liquor-by-the-Drink. This bill was introduced in the Senate by Senator Herman Moore of Mecklenberg and was espoused highly by many of the 'wets.' In spite of the forces behind this bill it 'died' in committee and there were many willing pallbearers. We must point out the fact this bill will be back in the 1969 General Assembly and its outcome will be decided by the men whom you elect to represent you in the 1969 Session. I plead with you to give some careful consideration now to the matter of who will be elected from your area.

Another victory was in the defeat of the bill which would have allowed towns of 1,000 population to call for an A.B.C. vote on petition of 25% of the voters. This bill passed the Senate, which seemed to have a penchant for liquor bills, but did not pass the House in a close vote of 50 against and forty in favor of the bill.

A number of cities were granted the privilege of calling A. B. C. elections, and since the Supreme Court decision favoring this practice, more of these bills can be expected at each session."

It's imperative that each church do all in its power that our citizens might be informed concerning these issues of our day. Above all, we must be Christian in all of our actions.

Respectfully submitted,
Warren T. Bush

37. The report of the American Bible Society was adopted.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society shares the concern for worldwide missions which Southern Baptists are expressing in plans for the Crusade of the Americas and World Missions Year in 1969. The entire program of Bible Society work is founded on these basic missionary principals:

—People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

—Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

—The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave.

The American Bible Society is a worldwide missionary organization. It is an active partner in Southern Baptist work.

A program of advance is being carried on by the American Bible Society in cooperation with 34 other national Bible Societies around the world. In 1968 this program will enter its second phase with the theme, "God's Word for a New Age—the Book for New Readers."

Its aim is to provide greatly increased quantities of Scriptures urgently needed for mission work.

During 1966 the American Bible Society rejoiced that some part of the Bible has been published in 1280 languages; the full Bible in 240.

The Society set new records by distributing 39,981,620 Scripture volumes in the U.S.A. and a total of 61,815,238 volumes in over 400 languages, in some 150 countries around the world.

In 1966 Southern Baptists gave $233,896 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U.S.A. totaled $1,472,307.

(Did your church make a gift this year? If not please do so. Please send gifts to your Baptist State Office marked "for the American Bible Society.")

Respectfully submitted,
Clarence Bishop

38. The report of the Baptist Children's Homes was adopted.

BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. At the Baptist Children's Homes of North Carolina, they seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God-given talents of the children.

During the past year the Baptist Children's Homes provided care and related services to 1,306 children. Continuing care went to 918 of these, while 388 received case work.

We read in Luke 18:16: But Jesus called them unto him, and said, Suffer little children to come unto me, and forbid them not: for such is the kingdom of God. In our Flat River Baptist Association the past year, we had 27 Churches, giving $4,872.00 to the support of the Baptist Children's Homes. Let's ask ourselves, "Are we doing as much as we should and could do?"

The needs of many children are met through the use of Foster Homes. Many families are finding happiness and opportunity for service in caring for foster children. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

I would like to express sincere appreciation to every Church or individual who has helped support the Baptist Children's Homes with prayers or money. Please continue to give and pray for these Homes.

Respectfully submitted,
Mrs. Otis Huff

39. The report on the Homes For The Aging was adopted.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes for the Aging have accomplished much during the past year. Our new home at Yanceyville was completed in September and will be able to receive 30 or more of our older people into the family of our Homes. This home at Yanceyville is our fifth, and when occupied, we will have a total of 200 older men and women in our care in all of the Homes.

As you know, we have four Homes and an Infirmary in operation. Rest Haven and the Hayes Home in Winston-Salem; the Albemarle Home at Albemarle; the Hamilton Home at Hamilton.

You have an everlasting investment in these Homes and can rejoice in the tender care which you are making possible for our older people. Many are financially needy person that are helped through the love gifts of North Carolina Baptist. There are two sources of income from the churches that are most vital in the support of our residents—the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 has increased ten per cent over last year. When we face the reality of costs, which have advanced by twenty per cent, the maintenance of a new Home and the care of 30 additional resident at Yanceyville, we could face a real crisis during the next year unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are helping to minister to the aging in Christ's name and we want all of you to know that each of your five Homes exists for the people from all over our State. We could not operate without your love, your prayers, your concern and your financial support. Donations to the North Carolina Baptist Homes for the Aging from July 1966 through September 1967 from the Flat River Association was $856.84. Only 15 churches participated.

May we answer the Master's call to the needs of our Baptist Homes for the Aging?

Respectfully submitted,
Mrs. Douglas Hite

REPORT OF THE BAPTIST HOSPITAL

In this day of rapid change and new discoveries, North Carolina Baptists can be proud of our Baptist Hospital in Winston-Salem as it keeps pace with other medical centers throughout our country.

Through our Mother's Day offering many people are being helped who are unable to pay their own way. Not only physical help but spiritual help also, because North Carolina Baptists care.

Our offerings to the Hospital from this Association in 1967 have been $2,745.20; or $407.51 less than 1966.

Last spring the Hospital held a one-day clinic in Durham and a Committee of our Association attended. This committee brought back to our churches the

needs that presently exist in this institution. The committee held four group meetings throughout this Association with most of our church being represented.

May we look ahead and make our plans early for 1968 that we might increase our support to this great ministry. This is a ministry that each church and each individual can join hands and help provide help for those who are in need. This is a wonderful opportunity for each of us to share God's blessings with those who have not been so fortunate. Remember what Jesus said: "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Respectfully submitted,
Carl D. Blake

RESOLUTIONS COMMITTEE

The Flat River Baptist Association meeting with the Island Creek Baptist Church on Tuesday, October 17, 1967 and with the Creedmoor Baptist Church October 18, 1967, is grateful for the privilege of being co-worker with God for the advancement of His Kingdom.

Therefore, be it resolved that we voice our appreciation:

2. To the pastors and membership of the host churches for all their contributions to our physical comfort.
2. To our Moderator, the Reverend Leslie Giles, for his untiring efforts in projecting an excellent and challenging program.
3. To our Clerk, Mrs. James E. Frazier, for her accurate keeping of the minutes and records.
4. To Mr. Graham Wright, our Treasurer, for his work throughout the year in keeping an account of our financial gifts and giving to us an accurate yearly report, and
5. To all who have contributed to the success of our program from our own Association and the guest speakers representing some phase of our denominational work. Let us pray that God's blessings be upon those who have been chosen to lead us during this associational year. Let us resolve to keep them in our prayers that God will guide them.
6. That we send greetings to the Rev. L. W. Smith, who is sick and unable to attend this session.
7. We express our deepest appreciation to the Reverend W. J. Edwards who

has served as our Associational Superintendent of Missions since July 1, 1962. In expression of our appreciation for his faithful service we wish to dedicate the minutes of the 174th session of the Flat River Baptist Association to him. We assure Mr. and Mrs. Edwards of our prayers for God's continued blessings upon them.

Respectfully submitted,
Mrs. Gilmer Beck, Chairman
Rev. E. W. Greene
Rev. Edward Yancey

52. The report on Home Missions was adopted.

HOME MISSION REPORT

A missionary force of over 2,100, under the leadership of Dr. Arthur B. Rutledge, executive secretary-treasurer, assists Southern Baptists in their efforts to bring men to God through Jesus Christ. These missionaries labor in a period characterized by national and international tensions, inflationary economy, growing population, moral problems, and mounting social changes.

Record support from Southern Baptists to the Home Mission Board came during the year through the Cooperative Program ($4.7 million) and the Annie Armstrong Offering ($4 million). The goal for the Convention-wide Annie Armstrong Offering was reached for the first time since 1961.

However, the Flat River Association showed a decrease in supporting the work of our Home Mission Board for 1966-67. During the last year 30 of our 32 churches contributed $6,798.00 directly to Home Missions, which was $597.00 under the previous year's contributions. We also contributed $43,664.00 to the Cooperative Program of which 6 8/10% or $2,968.15 went to support Home Missions, making a total of $9,767.15 from our Association.

There are many ways the 32 churches in the Flat River Association helped in Home Mission work that we have no way of measuring the results. Only our Savior, Jesus Christ, knows how much time and money we gave ministering to the bereaved in our own church community, ministering to the mentally disturbed persons, ministering to the occupants of our jails and prisons and ministering to senior adults and shut-ins in our community.

Respectfully submitted,
Howard Morris

53. The report on Foreign Missions was adopted.

FOREIGN MISSIONS

For the year ending December 31, 1966 the Southern Baptist missionary force numbered 2,212, which represents a net gain of 142 over the previous years and marks the third year in the last four that a net gain in excess of 100 has been achieved. Two of these were Rev. and Mrs. Ray Frye. Mr. Frye was the former pastor of the First Baptist Church, Creedmoor, in this association. Our missionaries now serve in 65 countries.

To supplement the work of our missionaries, "Missionary Journeymen" have continued to make a significant contribution. With an average age of 23 years, 92 of these young people are engaged in a two-year tenure of service in teaching, nursing, student work, clerical services and other functions on mission fields.

Our foreign mission program, the missionaries, and their families are totally dependent upon the volunteer gifts of responsible churches in this denomination. During 1966 the foreign mission endeavor received $28,595,730—$11,829,531 of which came through the Cooperative Program and $13,243,847 came from the Lottie Moon Christmas Offering. Commenting on the Lottie Moon offering, the executive secretary of the Foreign Mission Board, Dr. Baker J. Cauhen said, "So far as I know, this is the largest love offering for worldwide mission work ever given by any Christian body any time in the history of foreign missions". Dr. Cauthen reported that without the Lottie Moon Christmas offering our missionary endeavor would be "reduced by nearly one half." The mission board is to be congratulated in that 93 per cent of the amount received is spent on the mission field abroad.

This is not, however, a time to rest and take our ease in Zion. Let us be reminded that if we are to continue the sustained advance in foreign missions, the local churches must increase the resources to foreign missions a minimum of $2,225,000 annually for the support of missionary work in the field. The Foreign Missionary Board in its annual report to the convention this past May stated that "it is necessary each year to leave waiting more than $4,000,000 in recommendations which had been submitted to the Foreign Mission Board by the Mission organizations because resources are not sufficient to provide for them."

It is the privilege of the local congregations of Baptist people throughout this land to support not just a program, but people-missionary people, indeed, our people from our farms, villages and towns, from small and large churches, who look to us for support in prayer and responsible giving. Also they look to the church and they look to us to continue to give and send our own, to replenish and increase their works with those from our midst who recognize their "reasonable service" to be on foreign soil, among foreign people to proclaim a universal Lord who erases national, social and racial barriers in the call to be one in Christ Jesus.

Respectfully submitted,
David D. Blakely

54. Hymn: "Jesus Shall Reign"
55. MISSION PRESENTATION: Mr. and Mrs. W. A. Mitchiner of the Oxford Baptist Church gave a most interesting presentation of missions through films and talk entitled "Around The World Through The Eyes of a Layman and His Wife".

    Mr. Carl Blake, Island Creek, Chairman
    Mrs. Robert T. Barnes, Delrayno
    Mrs. Laura Ball, Island Creek
    Mr. Garland Catlette, Brassfield
    Rev. J. Lemar Wheeler, Mountain Creek
57. The Rev. Leslie Giles, Moderator, presented the officers for the coming year to the Association, and expressed his appreciation to every one for the

support each had contributed to the Association in the past year.

58. The One Hundred Seventy-Fourth Session of the Flat River Baptist Association adjourned with the Rev. W. J. Edwards, Superintendent of Missions, offering the Benediction.

October 6, 1967

Dear Friends:

It is with a deep feeling of regret that I submit to you the notice of my resignation as Superintendent of Missions for the Flat River Baptist Association effective December 31, 1967.

My doctor has given specific instructions concerning this and I am following his orders as well as my own knowledge that I am no longer able to do the work that is required of me by my job. My decision has not been made quickly but I have known for some months that the time had come. Preparations are already underway with the Annuity Board and with the Social Security Department.

My more than five years of working hand in hand with you people in the Association have been the most satisfying of my ministry. It is my doctor's desire, and mine, that I stay busy. Therefore, I will be counting on a limited continued service to the Association and churches as I am needed.

Thank you for your faithful support and confidence during these years. I have tried not to violate that confidence.

Yours in Christ,
W. J. Edwards

7. The Report on Baptist Colleges was read by Alden Hicks, Pastor of Enon Church, in the absence of the author of the report, Rev. Edward Yancey. The report was adopted.

REPORT FROM THE BAPTIST COLLEGES

There has been an increase of interest concerning our seven Baptist Colleges from the churches during the past year. We note this interest in the following ways:

1. More of the churches have participated in the Baptist College Day observances and offerings. We regret the decrease in the offerings in our Association.
2. There has been a continued growth of support through the Cooperative Program—more than $4,000 in the Flat River Baptist Association.
3. There has been wider participation from the churches and her leaders in the Best Forums.

This year there are over 12,000 students enrolled in our seven Baptist Colleges. We certainly appreciate the work that our schools are doing.

We realize that the Christian college campus is emerging once again as a great moral and ethical force in American culture. We hope that in North Carolina our seven Baptist Colleges will lead in restoring discipline and moral and ethical responsibility on the college campus. We certainly pray that these institutions of learning will assert a new effort in helping prepare positive Christian Witnesses. The future of our state and nation rest in part in the hands of our seven Baptist Colleges, therefore we assure them of our prayers and earnest support.

Dr. Ben Fisher, Director of the Division of Christian Higher Education of the Baptist State Convention, will now come and speak to this report.

Respectfully submitted,
Edward Yancey

FLAT RIVER BAPTIST ASSOCIATION

REPORT OF THE MISSIONS-ADVISORY AND EXECUTIVE COMMITTEES

October 22, 1968

The regular quarterly meetings of the Missions-Advisory and Executive Committees were held as scheduled, with excellent attendance well above a quorum at each meeting.

PART A

At the January meeting Mr. C. W. Allen, Jr. of Brassfield Baptist Church was elected to serve as Vice Chairman and the Rev. Robert Boone of Grassy Creek Baptist Church was elected Secretary.

The Executive Committee voted to send letters of concern to the families of two Committee members who had passed away recently, Rev. L. W. Smith and Mr. Hugh T. Pittard.

The Committee authorized the Associational Treasurer to discontinue Annuity payments until another Superintendent of Missions had been called.

Mrs. James E. Frazier, Associational Clerk and a member of Amis Chapel Baptist Church, was employed as part-time office secretary. The Associational Office was to be open all day on Wednesdays and Fridays and until noon Saturdays. Rev. Alden Hicks, pastor of Enon Baptist Church, agreed to serve as Moderator of the Flat River Baptist Hour over WOXF in the absence of a Superintendent of Missions.

A "W. J. Edwards Appreciation Day" was scheduled for January 21, 1968 at the Oxford Baptist Church, in honor of our retiring missionary and his wife. A color television and a gift of money from the people of the Flat River Association were presented to the Edwards family.

Mr. David Blackwell of Mt. Creek Baptist Church was elected Associational Sunday School Superintendent to fill the office vacated by the resignation of Rev. Gilmer Beck.

It was moved that the Associational parsonage be maintained with the same light and heat hook-ups after it was vacated on February 1, 1968.

The Committee decided to take no action concerning calling another Superintendent of Missions until adequate time was allowed for considering various possibilities.

At the April meeting the Trustees and Budget Committee were authorized to work out an agreement with the City of Oxford to pay for paving the street in front of our property. The bill, plus interest, amounted to $592.56, and was later paid.

The Committee authorized Mrs. James E. Frazier to eliminate her Saturday office hours, with her wages continuing the same as at present.

The Missions-Advisory Committee was authorized to explore mission needs in our Association. All churches were requested to study our needs and to be prepared in July to indicate their willingness to support an enlarged mission program and an increased budget.

The Committee, at the July meeting, gave approval to the report of the Nominating Committee which recommended the following persons to serve during 1968-69 in the stated positions:

1. Sunday School Superintendent ..... Mr. David Blackwell
2. Training Union Director ..... Rev. Robert Boone
3. Brotherhood President ..... Mr. George Gresham
4. Woman's Missionary Union ..... Mrs. James R. Frazier

A motion was made and passed to omit the Book of Reports at the Annual Associational Meeting, with all reports to be given in person.

After much discussion concerning the future of our Associational program and the calling of a Superintendent of Missions, the Missions Committee, with Mr. C. W. Allen, Jr. directing, was instructed to study all proposals, draw up an itemized budget in cooperation with the Budget Committee, draft a job description for a potential Superintendent of Missions and report in detail with a recommendation at the October Executive Committee meeting.

PART B

As a result of business transacted at the October Executive Committee meeting the following recommendation is made to the messengers of the 175th Annual Meeting of the Flat River Association:

1. That the Association proceed with plans to call a full-time Superintendent of Missions at a salary of $5600.00. Other benefits include car expense, $1100.00; Annuity, $400.00; and convention expense, $200.00,
2. That Mrs. James E. Frazier continue as part-time office secretary for one day per week, if needed,
3. That the financial support of our work be based on $1.80

per resident member in the churches, plus whatever assistance we receive from the Baptist State Convention, with the amount requested set at $1800.00,

4. That the proposed budget for 1968-69 be approved as presented by the Budget Committee.

PART C

This report contains the report of the Missions-Advisory Committee, since all the business of this Committee was approved by the Executive Committee.

Respectfully submitted,
Leslie H. Giles, Moderator
Flat River Baptist Association

    b. Some needed changes to the Constitution were suggested by the Rev. Alden Hicks and by rule of the Parliamentarian were tabled until the business session of the second day.

12. The Report of the Woman's Missionary Union written by Mrs. James R. Frazier, Director, was read by Rev. Alden Hicks and was adopted.

WOMAN'S MISSIONARY UNION

You are all aware of the changing times in which we live today. This is not only true in population, education, and etc., but it is also true in WMU organization. The purpose of WMU has not changed, its major objectives and responsibilities from the beginning of Woman's Missionary Union is, "To promote Christian Missions through mission study, prayer, mission actions, stewardship, and to provide missionary education for women and youth".

A statistical report never tells quite the true story of what has been done within any area of our work, since it gives only numbers. It does not tell of lives dedicated to mission service; of members who have learned the joy of sacrificial giving; of girls who are now missionaries in school, home, and communities; of WMU members

who are prayer-partners with missionaries around the world; nor does it tell of the many dedicated women who serve as directors and leaders of the youth organizations in our association.

In this report it is rather difficult to give correct statistical information, due to the fact that several youth organizations in this association have not turned in their yearly reports. Although I write this report of all efforts of each member of WMU in Flat River Association. I feel sure we have had an overall increase in WMU members this past year, even though we did not have any new organizations started. The Associational Woman's Missionary Union has supported GA work at the Orphanage for two years and the leaders are doing an excellent job. Leaders and support financial both comes from over the Association.

With less organization in WMU, a new challenge has come to our women. For the first time the term circles in WMS was changed to missions groups. The value of the circles are preserved in the group concept of organization. In offering several types of groups, the range of opportunity in WMS can be broadened. A group has value because it gives an opportunity for persons with like interests to come together to study, pray, or engage in mission actions.

Our goal in WMU for the coming year is an increase in total WMU members, as well as new organizations in each church where possible. This cannot be done by some other church or some one else, it has to start with you and in your church, and every one working for the same goal if this goal is to be met.

How many women are being missionaries in their community and around the world? What are you actually doing, and what results are you having in transforming lives and neighborhoods? This is the record the Lord keeps on each one of us. In the year 1968-1969 let up apply the teachings of the Lord in our personal lives as an example. "Pray ye—", Matthew 6:9. "Give ye—", Matthew 14:16.

Respectfully submitted,
Rowena Frazier, WMU Director

13. The Report of the Brotherhood was given by the Director, George Gresham, and was adopted.

BROTHERHOOD REPORT

"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." II Timothy 2:15.

One of the main objectives of Brotherhood work is to train men and boys for service for the Lord.

As we look back and try to evaluate our work for the past year, we think about the activities for the year which included: Baptist Men's Day on January 28th; A boys outing on May 3rd with about 80 boys from the Association attending, after which they were taken to Henderson to attend "Young American Week Crusade" with Bob

Gibbons as speaker; On March 20th we had about 25 men and boys to attend the "Men and Boys Convention" in Charlotte where several thousand Baptist men and R.A. boys gathered to receive training and to hear Gregory Walcott speak. This was an inspirational meeting. We also had some of our officers attend a training session at High Point on August 23rd. Of course the highlight of the year was our "Brotherhood Ladies Night Banquet" on October 8th with 131 people attending. This was a most enjoyable event and we hope to have more of this fellowship in the future. So you see, even though we can't report much increase in enrollment, we have had a good year.

We have 10 churches with both R.A. and Baptist Men's Groups and we have 9 churches with either Baptist Men or R.A. groups, a total of 19 churches out of 32 with some kind of Brotherhood work.

As we look to the year ahead we would like to see some more of our churches organize Brotherhood work to help train their men and boys in the Lord's work. Our planned activities for the coming year are:

Baptist Men's Day in January; A boys outing in April at which time the baseball league will be organized; A Brotherhood Workshop in October, plus some State Training sessions that we hope to attend.

If we can be of service to you in strengthening your work or in organizing new work, please call on us. We are ready to serve you. We ask your prayers as we seek to build up our Brotherhood work in the Association and carry on the Lord's work.

Respectfully submitted,

George Gresham,
Brotherhood Director

20. Reports of Associational Work:

a. The Sunday School Report was given by Mr. David Blackwell and was adopted.

SUNDAY SCHOOL REPORT

I was appointed to take over the job of Associational Sunday School Superintendent just a month or two before the end of the year, replacing the Rev. Gilmer Beck, who had left the Association. Prior to my assuming the work, a Central Training School for Sunday School workers was held at Delrayno Church early in the year. The Vacation Bible School Clinic was held on April 29th at the Oxford Baptist Church. Both of these were well attended and real good meetings were held.

In September I met with the Executive Committee for the Sunday School, when our leaders came together to map out the work for the next year. Committees to carry out the work were appointed and literature is being collected to distribute at the December meeting of the Associational Sunday School Officers.

The Sunday School is the area of our work that reaches more of our people than any other division, however, there are countless people in our Association who never assemble themselves on Sunday morning to study God's Word. As long as this is true, then our work is tremendous. We pledge ourselves to be of help wherever we can and we urge each church to strive to make its Bible teaching more effective by improved training of its teachers and by providing more and better literature.

Respectfully submitted,
David Blackwell

b. The Training Union Report was given by Robert Boone, pastor of Grassy Creek Church and Associational Training Union Director, and was adopted.

TRAINING UNION REPORT

These are important days in the ministry of Training Union.

Many new ideas, new materials, and new seriousness to our need for Christian training are coming to us through Training Union!

1967-'68 was a good year for Training Union in our Association. Even though we sponsored no new activity, our traditional programs were met with new enthusiasm. This is reflected in the well planned and attended programs.

1. On November 28, 1967, we sponsored "M" Night at the Hester Church. The inspiring drama, "Who Cares Anyway?", was presented by the Tabbs Creek Church. This was followed by Mr. Walter Anderson, former Director of the S. B. I., who spoke on the theme, "Youth In Crises".
2. The Tournaments, which consisted of Junior Memory Work, were held at Mountain Creek. Mountain Creek took full honors both on the Associational and State levels. Information on how to participate in the tournaments has been sent to all the churches with Training Unions. Why not plan to give Mountain Creek some real competition in '69? The date to remember is April 22.
3. Youth Week was observed March 10-17. A committee of teenagers planned the program, which was excellent. A panel, consisting of professional individuals from the fields of education and medicine, along with three teens, debated some current problems that teens have to face. Diversity added color and much helpful information toward understanding and bridging the "generation gap". Fellowship, under the direction of Ann Hayes, followed.

Interesting events are planned for '68-'69. "M" Night on November 19, 1968 at Oxford Baptist Church will sponsor Mr. Bennett Straughn, an excellent Chalk Artist, from Raleigh. Mrs. Vincent Young and a youth committee will sponsor "Youth Night" March 15, 1969 at Tabbs Creek.

While attending the State Briefing Meeting in High Point recently, this director was informed of big changes for Training Union in 1970. I encourage you to read the **Training Union Magazine,** and remember that we still have two years to go before 1970.

Respectfully submitted,
Robert R. Boone, Jr.

21. The Report on the American Bible Society was given by Rev. Clarence Bishop, Pastor of Florence Avenue Church, and was adopted.

REPORT OF AMERICAN BIBLE SOCIETY

No matter where man may be found, the American Bible Society, or its affiliates, are there with God's Word.

In 1967, more than a million Scriptures were donated through Chaplains to men and women serving in the Armed Forces at home and overseas—an increase of 113% over 1966.

The Today's English Version of the New Testament, Good News for Modern Man, is only one example of how the American Bible Society is meeting its responsibility to serve those who will become the leaders of tomorrow's world.

An additional 46 new translations were reported for the first time in 1967.

The goal of the American Bible Society is to provide a copy of Scripture for every person in the world in the language and form he can best read and understand.

During 1967 it cost the average American 30 cents to purchase and mail a greeting card to a loved one. The cost of translating, publishing and sending the message of God's love as revealed in the Scriptures to someone half a world away amounted to only 10 cents. This low figure was made possible not only through efficient operation, but by the dedication of thousands of Christians who

supported the American Bible Society with their gifts and sacrifically gave of their time and talents in finding those in need of the Word and helping to distribute the same.

Southern Baptists stood well on top in denominational gifts to the Society with a cash gift of $218,509.02 in 1967.

More than 12,590 babies were born while you were reading this Book of Reports. Will they learn to build or tear down? Will they cherish or cast away? Will they love or hate? Will they make war or discover the pathway to peace? Will they find eternal life through Jesus Christ as promised in the Word of God?

Clarence Bishop

23. The Report on Evangelism was given by Earl Howard, Pastor of Mt. Zion Church, and was adopted.

REPORT ON EVANGELISM
1967-1968

My dear friends: We have turned over the pages of history's calendar to evangelism for 1967-1968. We usually do, and get what we planned for. A hit or miss program almost always ends up a miss. These are tremendous days and we dare not fail.

This past year the churches of Flat River Baptist Association baptized 183 persons. This represents a ratio of one baptism for every —— resident members. We are very grateful for every person who has been brought to confess Jesus Christ as Lord, and for every faithful witness that led them into this experience. We call upon every church and every church member to give themselves to the work that brought our Lord Jesus Christ from heaven to earth, EVANGELISM.

We must publicly proclaim that Good News (the Gospel), that it **is** the power of God unto salvation, and we must personally win others to Christ. The church's theme, "The Church Fulfilling Its Mission Through Evangelism and World Missions" must become more than a slogan for 1968-1969 if we are to know any measure of success in this matter of reaching people for Jesus; it must be a reality in our churches and personal lives. We must take up the challenge and give **ourselves** to the work of evangelism and world missions.

These are the most thrilling and challenging days the Christian church has had since the first century New Testament Church. We cannot allow these days to pass into history without our giving our most dedicated efforts to making them significant to the Kingdom's progress. As a matter of fact, if we **fail** to make them significant,

we may not have another opportunity to serve the Lord so majestically. We just **may** find ourselves turned back to wandering for years in the wilderness until God chooses to raise up another people who will gladly take up the call and challenge to go forth into all the world with THE GOOD NEWS. Dare we fail in this hemisphere-wide crusade and evangelism? God forbid.

Some suggestions to help you plan and to get involved are as follows (Adopt and implement to fit your local community):

1—A program of cultivative commitment witnessing emphasis—October 23-January 26, 1969

2—Watch-Night Service at Church—December 31, 1968

3—Fifth Sunday Good Neighbor Sunday or Day (Non-evangelicals) (Every fifth Sunday)

4—January BIBLE STUDY WEEK—January 6-12 or as soon as practical

5—Soul-Winning Commitment Day and Day of Prayer for Crusade of the Americas—January 12

6—January 19-26—Soul Winning ACTION week

7—State-Wide Evangelistic Conference—Greensboro—February 3-5, 1969

8—February and March 1969—Using the Sunday School in Personal Witnessing

9—February 25 (Tentative date)—Associational Evangelistic Rally—to be announced

10—April 6-20—Crusade Revivals.

———::———

Materials for explanation and implementation are yours for the asking. Also, personal assistance is available if you will please let your Committee on Evangelism know that you desire our help. Please call on us.

Respectfully submitted,

E. W. Howard, Chairman

    a. The Children's Homes Report was distributed in printed form and was adopted.

REPORT OF BAPTIST CHILDREN'S HOMES

The central mission of the Baptist Children's Homes of North Carolina is to care for the dependent, neglected, and homeless children. At the Children's Homes, they provide the proper encouragement and supervision to help these children develop their God-given talents.

The dedicated concern of the Children's Homes has always been to build a better tomorrow. Today's children will become the adults who share tomorrow's world. No task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

When the children come to the Homes, they are accepted as they are. They are provided food, clothing, and shelter, but more important than material things is the concern and love given every child by the Christian men and women who work with them.

If you are wondering how you can help the boys and girls at our Baptist Children's Homes, certainly you can pray for them. They believe in prayer, and, through the years, they have seen how God has used many friends both to pray for them and to help them with the things they needed.

The stewardship of giving makes possible life's best opportunities

for many boys and girls who otherwise would not have them. Financial support for the Baptist Children's Homes comes from the Cooperative Program, Thanksgiving offering and one-a-month offering. We read in Acts 20:35, "I have showed you all things, how that so labouring ye ought to support the weak, and to remember the words of the Lord Jesus, how he said, It is more blessed to give than receive."

I thank each of you for your support with prayers and money. Please continue to give and pray for these Homes.

Respectfully submitted,
Mrs. Otis Huff

c. The Homes for the Aging Report was given by Mrs. Douglas Hite and was adopted.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. The Yanceyville Home was opened on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home is filled to capacity, the number living in all our Homes will reach 200. Residents at Yanceyville, Resthaven, The Albemarle Home, The Hayes Home, The Hamilton Home, and The Infirmary, constitute a large growing family of our elderly people who receive much tender care.

The waiting list for admission to one of our five Homes continues to grow. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list. Persons are encouraged to make application from various sections of our great State.

Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto, in the five Homes for the Aging, receive help through the love gifts of North Carolina Baptists.

These love gifts from our Baptist Churches come from two main sources:

(1) The Special Day Offering received on the 3rd Sunday of February each year from which the Homes derive 22½% of their total support.

(2) The Cooperative Program from which we receive 12½% of total income. Gifts from these two sources in 1967 amounted to around $200,000.00. Our Baptist Homes cannot be main-

tained, either on the basis of quality of care or quantity, unless these two vital sources of income are increased considerably.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let each one of us who is helping in this great area of human need be thankful to the Lord for being a part of a great denomination that has had the vision to plan for the aging, and will continue to move forward to meet the needs of this very deserving group.

Respectfully submitted,
Mrs. Douglas Hite

d. The Report on the Baptist Hospital was read by Mr. C. H. Guerrant in the absence of the Representative, Mr. Carl Blake. The report was adopted.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

North Carolina Baptists have a special way of observing Mother's Day. In gratitude for the love of their mothers, they provide an offering to help support the care of the needy sick at Baptist Hospital in Winston-Salem.

Last year, with an offering amounting to $325,071, the Hospital was able to serve nearly 16,000 patients who needed the care of the Medical Center but could not pay the cost. Among these patients were sick people from every area of North Carolina.

Last year 26 of the 32 churches in the Flat River Baptist Association contributed $2,615.04 to the Hospital because people in this Association do care about the needy; however, this amount is $130.16 less than 1967.

An offering at least 20 per cent larger is needed this year, for hospital costs increased greatly in 1968. May the churches of this Association be generous in contributing to the Mother's Day Offering in May of 1969, for they will be giving skilled care to save lives and restore health. The success of the offering and the service it renders will be the fruit of your labors.

Respectfully submitted,
Carl D. Blake

32. The Report of the Christian Life Committee was given by the Rev. Warren Bush and was adopted.

REPORT OF CHRISTIAN LIFE COMMITTEE

The four major concerns facing our people today are the breakdown of law and order, the breakdown of family life, race relations and the use of alcohol as a beverage. It is realized that

these problems are interrelated. For instance, the breakdown of the home helps to bring about the breakdown of law and order. The use of alcohol as a beverage often causes persons to commit crimes. This is seen most vividly in the fatal auto accidents in our own state when over 50% are caused by drinking drivers. Manslaughter is a crime.

The following is an excerpt from the publication "Tomorrow":

> "Alcoholism among women has become a middle-class phenomenon, according to an article in the New York Times. The head of the National Institute of Mental Health reported a growing percentage of married, middle-aged females joining the ranks of the country's four to six and a half million alcoholics. Dr. Stanley F. Yolles, Appropriations Subcommittee Institute director, reports that there are 200,000 new cases each year."

Liquor-by-the-drink will be an issue in the next General Assembly of North Carolina. The two gubernatorial candidates of our state have recently come out with some specific statements on this issue. Both of them agree that they would not oppose local option legislation on the matter.

The election for both our state and national leaders is only two weeks away. Every citizen should study the issues, the candidates, and vote to the best of his ability. Above all, we must be Christian in all our actions.

Respectfully submitted,
Warren T. Bush

35. The Report of the General Board was given by Flat River Association's member of the board, the Rev. Warren Bush, and was adopted.

a. REPORT OF THE GENERAL BOARD

It is impossible to give you in detail what happened in the three meetings of the General Board which involved a part of six days not including the various committee meetings of the Board. The Executive Committee of the General Board meets at least once

every month. I am one of the General Board members serving on the Council on Christian Higher Education.

The two most important recommendations coming from the General Board to be presented at the Baptist State Convention of North Carolina at its annual meeting November 11-13, 1968, at Memorial Auditorium, Raleigh, N. C., are as follows:

1. That Gardner-Webb College be allowed to become a four year senior college when its Board of Trustees feel it is ready and can meet the requirements for accreditation by the Southern Association of Colleges and Universities.
2. That the base budget for 1969 be $6,700,000 through the Cooperative Program. The overall goal be set at $6,800,000.

The Board recommends that 33.34% of the base budget be allocated to the Southern Baptist Convention, 25.6% to Christian Education, 11.6% to Social Service Institutions (Homes for Aging, Hospital, Children's Homes), and 29.46% to State Missions (General Board Programs).

The Board further recommends that the "average" beyond $6,700,000 be divided as follows: 33.34% to the Southern Baptist Convention, 26% to the Colleges, 26% to the Social Service Institutions, and 14.66% to State Missions.

Another highlight of the activities was the dedication of the Rachel Hatch Auditorium at the North Carolina Baptist Assembly at Caswell on July 19, 1968.

36. The report on the Annuity Board, written by Mrs. Lucy Lyles and distributed to the Association in printed form, was adopted.

a. THE ANNUITY REPORT

The Southern Baptist Program has a Protection Plan of three parts:

A. Southern Baptist Protection Plan;
B. Age Security Plan; and
C. Variable Benefit Plan.

Plan A has a wide range of benefits, Plan B is a Supplemental, as well as a Basic, Plan for those not eligible for Plan A, with Plan C built around high grade common stocks plus investments of other equity types. Plan C is offered to participants of either of the other two or to those who make such a choice to invest in.

There is a "grace period" effective January 1, 1969. The above means benefits will be reduced according to the ratio that the number of years delayed which will have effect on the sum total counting from the date of grace to the ordinary date of retirement.

The year of 1967 discloses 3,146 new members joined this program. There were 17,400 churches, in 1967, who provided their ministers with the Program.

Flat River Association has 25 churches taking part in Plan A with one church taking advantage of Plan C. The above information reveals that approximately 78% of our churches are making use of the above information.

We are proud of the part our Association is playing in aiding our ministers and others. With inflation affecting the buying power of our dollar, we need to level off the inflationary trend by providing as much income from retirement as is desired now. Ten percent of the total salary is recommended as a minimum.

Let us keep in touch with our Annuity Representative, Reverend Guy Cain of Raleigh, North Carolina, for advice and better understanding of the total Annuity Program for everyone concerned.

Respectfully submitted,
Lucy G. Lyles

b. The Rev. Guy Cain, Secretary of Annuity of the Baptist State Convention, spoke to the Association on the Annuity Program and the Baptist Foundation.

37. The Report on Christian Literature was adopted.

1968 CHRISTIAN LITERATURE REPORT
Some Truths Concerning This Topic

In the darkest night there still shines the Everlasting Light of God's truths in Christian Literature; and Christ's Commission to "Go ye . . . . . ." keeps ringing out to every Christian for distribution of Christ-centered materials here and around the world that this light may shine more brightly as time passes.

In the midst of the daily changes that each of us have been experiencing during recent years, we readily recognize the truth—that the Gospel of Christ is the one thing which remains steadfast and that people of every age, race, and nation need continual **refueling with, refreshment in, and re-dedication to** God's Word.

You will agree, these things can come only through Bible Study and Christian Literature which must be distributed widely and used daily.

In addition to God's Holy Word, we find available for every phase of our Christian and Church Life periodicals for: presenting missions, devotional periods, the college youth, and the blind. This

year for our leadership we have new, creative, and helpful guides and periodicals with many new, new, opportunities—new patterns in changing times—for helping us with **surveys, studies,** and **research work** to carry out assigned tasks for our churches.

In our own Local Library we find a Religion Department with up-to-date research, resource materials and hundreds of other religious books, periodicals and leaflets for our benefit and daily use.

The question arises, What Is Our Field for Distributing This Literature? First, in our own families; then right here in the Flat River Association, Granville County; and third, to all prospects who make up our outreach here and around the world.

Three Points are stressed:

The Importance
The Accomplishments
and the Future in Christian Literature

First: **The Importance**

Christ-centered materials and God's Word is the very best and most effective means of reaching more people for Christ.

It is so important for it feeds and develops the minds and souls of the young and the old.

It gives us information—new and useful instruction of how to carry on our mission work; to maintain family and secret devotions; to religiously educate the children; and to seek the salvation of our kindred and acquaintances.

Second: **Accomplishments**

Now all 32 churches in the Flat River Association have placed essentials in their Church Budgets.

Church Members have exercised much care in getting materials to proper places.

A larger percent of families are subscribing to that which is not provided through the budget.

Our W.M.U. Ladies have been placing much of their used Christian Literature in business places and offices where many people must wait for service for this to be picked up, read, and passed on.

We know of at least four churches in the Flat River Association that have Display Racks in use.

There are two Book Tables set up with approved books for sale.

In 1968, the **Biblical Recorder** had its 135th birthday, so this indicates it is a durable and hardy periodical. Our Baptist Paper **informs, interprets** and **inspires** us to do a better denominational work.

Under accomplishments, all can see:

Spiritual lives have deepened,
stewardship strengthened,
and influence has been greatly enlarged.

Third: **The Future in Christian Literature**

The positive side of this report is good, but as we go into the future we must face our **Problems** and **Responsibilities.**

Our Problems:

Perhaps the greatest problem of all is getting more of our people to read what is provided. You will agree we've lost the importance of the time element.

Competition is strong with so many worldly interests—many of them good but not the best—so much undesirable literature on our newsstands and in our daily newspapers.

Then we are told this is a period of history when some Church Publications are struggling to exist because of:

Smaller circulations,
rising costs of publications,
mergers,
inflation, accompanied by increasing costs—
these create hardships.

Our Responsibilities:

As we discover in Christian Literature information, inspiration—the way to walk, the truth to believe, and the life to live—it becomes our responsibility:

To Share our literature with those here and others around the world.

To Proclaim it as the gospel that transcends all barriers whether race, nation, tongue, or culture.

In conclusion, this report shows that the Church and its members have become the top means in reaching the world for Christ in providing Christian Literature, Education and Inspiration for Mission Advance.

Then we have a clear duty and an obligation to offer all people here and everywhere this high type of Literature which will:

Arouse their interest,
speak to their needs,
and help them to be more effective Christians.

Will you accept the Challenge to "Go ye to all nations . . ." by studying, sharing and sending Christian Literature—aware of the urgency of our mission in a changing period?

Respectfully submitted,
Flora O. Mann, Chairman

38. The Report on Church Music was brought by the Rev. Steve Perrou, and was adopted.

ASSOCIATIONAL MUSIC MINISTRY REPORT

During the church year 1967-1968 the 32 churches in our association reported 1,000 people active in the music ministry. This number represents the programs in 29 churches.

The Music Ministry in our Association has attempted to coordinate the music for various organizational meetings throughout the year including Associational Youth Nights and "M" Nights. The Vacation Bible School Clinic featured a study of the worship service and a special conference for the pianists and song leaders. The annual Carol Sing was held in the Oxford Baptist Church with several churches participating.

The major emphasis of the music ministry of the Association this year was the Church Music Workshop in March. Eighty persons participated, representing 20 of our churches. Mr. Kenneth Denton of Mount Holly and Mr. Charles Gatwood of the State Convention Department of Church Music served on the faculty. The climax of the clinic was the Hymn Sing held at Mount Zion Church with the Clinic Choir singing. Mr. Gatwood directed this group.

Special coaching sessions were held throughout the year with many of the instrumentalists of our association.

Emphasis for the coming year will be placed on instrumentalists. It is the hope of the Associational Music Ministry that more assistance can be given to those churches seeking aid in securing capable instrumentalists through an expanded program of training. Any church desiring such assistance is urged to contact a member of the music committee.

Regional Choir Festival will be held in the Oxford Church Tuesday, February 25, 1969. All choral units in the churches are invited to participate. Additional information concerning this program can be secured through the associational office or by contacting the State Convention Department of Church Music.

The Music Ministry of this Association is designed to assist each area of our church life and each area of the life of the Association. Feel free to call on any member of the Music Committee for any assistance which you may need.

Respectfully submitted,
Steve Perrou

45. Missions Program Emphasis:
    a. The Report on the Cooperative Program was given by the Rev. Talmage Williams and was adopted.

THE COOPERATIVE PROGRAM REPORT
1968

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad—it's preaching the gospel—it's healing in the name of Jesus through hospitals and clinics everywhere—it's teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with

God and with one another in obedience to the command, "Go . . . preach . . . teach . . .!"

Let us pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Flat River Association had 31 of their 32 churches giving through the Cooperative Program during 1968.

According to records available our churches gave $48,120 (8.4% of their total receipts) during the last year for World Missions through the Cooperative Program. This was an increase of $4,456.

We recommend:

(1) That each church have special prayer for Cooperative Program causes each service in October.

(2) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

Respectfully submitted,
Talmage Williams

b. The Report on our Association Program was not given at the Association meeting, however, we are including it here for your information.

REPORT OF ASSOCIATIONAL OFFICE

This report is only for the period of time in this associational year that I have served as office secretary—January 1-September 30, 1968.

A total of 6117 pieces of mail went out including 4415 copies of the Flat River Baptist News.

I have assisted in preparation of programs scheduled in our Calendar of Activities where needed. The Flat River Baptist Hour was directed each Sunday by Alden Hicks, pastor of the Enon Church.

During this period of time, there were twenty individual conferences, three group meetings and eighteen committee meetings.

I attended the Church Leadership Conference in Rocky Mount and the Stewardship Seminar in Henderson. Mr. Giles, Moderator, attended the State-wide Communication Workshop in Greensboro; participated in the BEST meeting at Meredith College; and attended the State Briefing Meeting in High Point. The Association was represented by Alden Hicks at Ridgecrest for Home Missions Week.

Let me say a "hearty" thank you to everyone in the Association for the splendid cooperation you have given me during this period. I've never before seen so many lay people and pastors work and cooperate in a finer spirit. It has been a joy to labor with you.

Mrs. Gerald Rene Frazier,
Office Secretary

FLAT RIVER BAPTIST ASSOCIATION

In our Association, we are grateful for the efforts of each Christian in witnessing for our Lord. The RA and GA Camp was held at Chowan College with several of the leaders from this Association as counselors.

We commend the Island Creek Church for sponsoring and directing the Kerr Lake Ministry. Worship services and Sunday School classes were begun at the Dillon School in Butner by the pastor, Earl Howard, and several of his members of the Mount Zion Church. There are several laymen from our churches witnessing in the prison camp and county jail.

The above should be an encouragement to each of us to be "Laborers with God" and go into the fields around us teaching the Word and witnessing to those we come in contact with.

J. Lemar Wheeler

c. The State Missions Report was read by the Rev. Doug Roebuck and was adopted.

STATE MISSIONS

The state mission program is one that was begun by North Carolina Baptists especially for the work of missions in our state. Just as a mighty oak was one day an acorn, so has the State Mission Program grown by leaps and bounds. Now there are a very few programs that do not come under the State Mission Program. There are the Vacation Bible Schools, the work with the migrants, work with the people who are in varied military services, Associational Missions, helping new churches to get started, and many other programs that are essential for Christian growth.

Our only problem is the problem of money, and personnel that will give themselves to the work of God in this program.

May we prayerfully seek God's will in this, so great an undertaking.

Respectfully submitted,
E. W. Greene

d. The Home Missions Report was given by Mr. Howard Morris and was adopted.

THE HOME MISSION REPORT
1968

The "retooling" process which this agency has been undergoing in the past few years appeared to climax during 1967, following two significant events of 1966 (adoption of program statements by the Convention and of long-range objectives and goals by the Board).

During 1967 there came the enlargement and restructuring of the

staff to implement these assigned tasks and goals, and the review and updating of internal policies and procedures.

The year involved the missions and evangelism staffs heavily in preparation for the major emphases of the Crusade of the Americas and Project 500. These emphases are expected to make major advances in an effective Christian witness to the 75 million unchurched in the United States.

The Cooperative Program and the Annie Armstrong Offering provided the largest support in the history of the agency; with $5,253,718 coming from the Cooperative Program including $323,268 from the advance section and $4,088,513 from the offering.

For the year ending September 30, 1968, 29 of our 32 churches in the Flat River Association contributed $7,182.00 to Home Missions, which was an increase of $384.00 above the previous year's contribution.

The Christian task in the homeland grows with each passing day. During 1967 the national population reached 200 million. By 1980 it is expected to reach 242 million. Migration from central city to suburbs will continue. Problems of poverty, racial tension, and public and private morality doubtless will continue with us. Our national involvement around the world constitutes a heavy burden.

What do you and your church plan for Home Missions during 1968-1969? Let's accept the challenge and continue to increase our contributions in the Flat River Association.

At this stage in local, national and world history we do well to pray and work for a renewal of spiritual vitality and a revival of Christian faith.

Respectfully submitted,
F. Howard Morris

e. The Foreign Mission Report was given by Rev. David Blakely and was adopted.

FOREIGN MISSIONS

The Foreign Missions Board had at the close of 1967 2,277 missionary personnel in 67 countries. Two hundred and twenty-two new missionaries, missionary associates and missionary journeymen were appointed during the year. For the first time missionaries have been assigned to Ethiopia, Botswana, South West Africa and Iran.

Missionary work comes under the general headings of Evangelism and church development, Schools and work with students, Publication Work, Hospitals and Medical Care, and other miscellaneous benevolent ministries.

Organized churches on mission fields total 4,918; of these 3,211 are self supporting. There are a total of 1,295 Baptist Schools with facilities that help shape the minds and spirits of 181,639 students for Jesus Christ. These schools include 287 kindergartens, 779 elementary schools, 132 secondary schools, 34 colleges, 6 women's

training schools, 44 theological schools and 13 schools for vocational and other types of training. With 20 hospitals and 86 clinics our doctors and nurses have ministered to thousands upon thousands of patients—both their physical and spiritual needs. Fifteen orphanages care for 1,168 dispossessed and abandoned children. There are 25 good will and community centers which extend a ministry to approximately 10,000 children and adults.

Special projects in evangelism and church development have brought strength to many mission areas over the past years. At present intensive preparations for the "Crusade of the Americas" are underway for 1969 in Latin America. A similar crusade for Africa and many Oriental areas is scheduled for 1970.

Results, however, can never be measured totally statistically. To say that there are 571,647 members including 46,275 baptisms last year only reports numbers. But the impact that our efforts abroad will have upon both the spread of Christianity and the influence upon the emerging nations by people won to Christ by missionaries and educated in our Christian schools is unmeasurable.

In spite of a total contribution of $28,286,597.45, of which $13,826,218.75 was from the Lottie Moon Christmas Offering, the needs continue to grow as inflation annually retards the purchasing power of the dollar. If the words "Cooperative Program" should ever become dull to our hearing (and they have to many of our people), let the leadership of our churches not forget that behind the Cooperative Program are people who have left their homes and loved ones to minister in a foreign land. They look to local churches to put substance behind the words which are often spoken in our churches but too seldom prayed, "Dear God, bless the missionaries on the foreign fields."

But let it be said that missions do not take place in a religious vacuum divorced from what is taking place in the rest of the world. The many social and political undercurrents and the numerous revolutions taking place on this planet parallel and, at times, directly challenge the mission of the Christian Church. Mass communication, the mode of travel, increased educational enlightenment, and what is commonly referred to as the "population explosion" is rapidly making this a one-world community. Nationalism and the struggle for self-identity are strong forces in all countries today. Nowhere is this truer than among the black peoples of the world and especially Africa where the nations have just been unshackled from the burden and degradation of Colonialism. Mass communication and numerous unfortunate experiences by black converts sent to this country for a college education has made the black man of Africa aware that there is a definite diachotomy between what we profess and what we practice. He is perceptive to the hypocrisy of being prayed for all over our Convention and then not being welcomed in our churches when he visits this land. If this pattern isn't soon broken, the missionary's work, which has already become difficult, will become practically impossible. If our love and acceptance, when they come

to us, cannot match their love and acceptance, when we go to them, then our mission to black people will soon be a thing of the past.

Respectfully submitted,
David D. Blakely

REPORT OF THE MISSIONS-ADVISORY COMMITTEE

Report #2

Each of the regular quarterly meetings were held and several special meetings we called. In the first meeting, the following officers were elected: Rev. Talmag Williams of the Peace's Chapel Church, Chairman; Mrs. James (Rowena) Frazie of the Tabbs Creek Church, Vice-Chairman; and Mrs. Lucy Lyles of the Dexter Churc as Secretary.

Our principal task was the securing of a Superintendent of Missions as authorize by the Annual Association in session October 23, 1968.

First, we re-defined the work of the Superintendent of Missions and drew up a wo agreement.

We then accepted recommendations for consideration, gathered additional infor mation on these men, and processed the information. We believe God led us in o deliberations and at the April meeting of the Executive Committee, we presented th name of Daniel Page who was called as Superintendent of Missions and began hi work with us July 1, 1969.

Respectfully submitted,
Talmage Williams

REPORT OF THE EXECUTIVE COMMITTEE

Report #3

All regular meetings of the Executive Committee were held in addition to on special meeting. Attendance at all meetings was outstanding.

The most pressing problem before the Executive Committee during the pr ceding year, other than that of routine business between the annual meeting, was th of filling the vacant office of Superintendent of Missions. In order to bring togeth the best individual possible to perform the duties that was desired by the Assoc ation, the Executive Committee determined as best it could some of the more im portant duties the individual churches wanted performed. This information was turne over to the Missions-Advisory Committee. This committee at the April, 1969 meetin of the Executive Committee recommended the calling of the Rev. Daniel Page to be o Superintendent of Missions and he was called by a unanimous vote.

When we called Mr. Page, we were aware that some changes would have to b made in our housing facilities. All possibilities were explored as to the most econo mically feasible course to pursue. Our house on Mooreland Drive was insufficient size to accomodate Mr. Page and his family and any type of remodeling would involv an appreciable expenditure of money that probably would not enhance the value of th house to the extent of money spent on improvement.

At this point, credit should be given to our trustees, Mr. Melvin Currin, Mr. R

icks, and Mr. George Thomas Eakes, for the careful investigation they made and the ssembly of facts and figures on the best use of the house on Mooreland Drive.

At a special session of the Executive Committee held on April 29, 1969, a committee headed by Mr. Oliver Davis recommended that the property on Mooreland Drive e sold and the money be put in a bank on interest, that the interest be used, for rent f an associational office; that the principle not be used except by act of the Associion in annual session and that our Superintendent of Missions be paid $100.00 per onth for housing allowance. This recommendation was adopted.

In the January, 1969 meeting, the Executive Committee voted to pay $1,000 on the inciple of the note on our associational property on Mooreland Drive in addition to e monthly payment. This resulted from money on hand as a result of not having a perintendent of Missions. There remains at the date of this report $636.80 owing on e note. The Trustees were authorized to repair the heating system in the associional parsonage and this was done at cost approximately $100.00. This repair was one to eliminate an oily odor given off by the furnace. The exterior of the house was ainted during this past year.

The associational office is now located over Hall's Drug Store and the property on Mooreland Drive is for sale. We are very pleased with our office space. We have one om that accommodates Mr. Page with enough space for a small conference area. e have another office and a closet for storage. We are paying $35.00 per month for is space, lights, water, heat, air conditioner and insurance.

All of us were very happy over the grade of "Outstanding Plus" on the Minutes of e One Hundred Seventy-Fifth Annual Session of the Flat River Baptist Association. his was a direct result of the devoted work exhibited by our secretary and clerk, Mrs. mes E. Frazier.

At the July meeting, the following named people were nominated for the position ppearing by their name and elected: Mr. Ray Morgan, Church Training Director; Mr. avid Blackwell, Sunday School Director; Mr. George Gresham, Brotherhood Director; d Mrs. James (Rowena) Frazier, Woman's Missionary Union Director.

Motion was made and carried in the July meeting to have the Annual of the One ndred Seventy-Sixth Annual Session of the Flat River Baptist Association dedicated Mrs. James E. Frazier in appreciation for her services rendered to the Association ring the period we were without the services of a Superintendent of Missions.

In view of the cost of printing the Associational Annual, it was decided by this mmittee that the churches of the association be charged the actual cost of the sociational annual. We felt this to be the best method of printing the exact needs the churches.

The Southern Baptist Convention has adopted new terminology in reference to some sitions referred to in our Constitution. In addition, there is a need for an assistant easurer for the Association. As a result of this, the Executive Committee asked a eviously appointed Constitution Committee to review the associational Constitution d recommend any change it felt necessary to the Association in annual session.

In the October 1969 meeting of the Executive Committee, a motion was made and rried that we begin this year in the Associational Annual including condensed histoes from the churches in this Association. Two churches will be featured each year th histories of the Providence Baptist Church and the Island Creek Baptist Church ppearing in the 1969 Annual. A schedule will be placed in the Annual stating the ears the other churches will be featured.

Claude W. Allen, Jr.

WOMAN'S MISSIONARY UNION REPORT

Report #5

Woman's Missionary Union is committed to helping a church fulfill Christ' purpose on earth. The work done by Woman's Missionary Union is church work. A Woman's Missionary Union assumes responsibility for helping the church, this pro gram organization makes a distinctive contribution to the total life and work of church.

During the past year, the Association attained the honor of being a Distinguishe

ssociational WMU. This was not done by no one person, but the entire associational lped in attaining this goal. Also several of our churches have attained honors in eir WMU work this past year.

In the spring, the Oxford Baptist Church was host for our Annual Spring WMU leeting. This was a good meeting and members in attendance was fair, but not as ood as we had expected.

In August the entire WMU Executive Board attended a State Workshop in Hickory, order to be better qualified to help churches in this association with their WMU ork.

In September Tabbs Creek Church was host for our associational WMU Leadership raining, which was held at Oxford Baptist. We had a good meeting with one of the rgest number present ever. We appreciate our Brotherhood and pastors attending this orkshop.

Discouraging are my thoughts when I realize what the Baptist Women of Flat River aptist Association could have done if we had been wholly committed to our Lord. time of accounting is good for each of us. As we remember, there comes a surge joy, prayers of thanksgiving and a new commitment to our tasks; and with this ommitment we immediately feel a renewal of strength as we hear our LORD SAY, Lo, I am with you always."

Thank you for the opportunities this place of service offers me.

Respectfully submitted,
Rowena Frazier

BROTHERHOOD REPORT

eport #6

Why do we have Brotherhood work in our association? The object of Brotherhood is assist the churches in training men and boys in mission study and mission activities. In doing this, we have some good Christian fellowship. As we look around us day, we see the great need for men to become engaged in mission work, not only reign missions, but here at home. We have a large number of men and boys in our ssociation who are willing and able to help in mission work if they were only trained do so. This was proved by the number of boys participating in the church baseball ague. This past summer we had 12 teams with approximately 180-200 boys involved. This is a good way to get the boys enrolled in Royal Ambassador work and to mission study and mission action. We have 19 churches with Brotherhood organiion with about 525 men and boys enrolled. So you see we are reaching less than lf of our men in the association.

As you know, the Brotherhood is taking the 6,7, and 8 year olds in the Royal Ambassador program beginning next year. We need your support as we try to enlist and ain these young boys in God's service. There are a few changes being made in the rotherhood organization in the coming year. You will be hearing more about this ater. We are looking forward to the new year with great anticipation, hoping to increase ur Brotherhood work in all the churches in the association.

Numbers cannot tell the whole story of our work, for even though we may not be ble to report an increase in numbers, we have some wide-awake organizations in the ssociation. Our leaders are trying to train themselves for a better year ahead by atending a conference at Ridgecrest in July, and a training session at High Point in ugust. We also had a number of men and boys to attend the "men and boys" con-

vention in Winston-Salem. We had a good workshop here in the association for our Brotherhood and RA leaders just this month.

Your associational officers stand ready to assist you in any possible way in the coming year. To enlarge your present work or to start new work. To you who do not have Brotherhood work in your church, we would challenge you to look at your need and then do as God leads you and see if he will not pour you out a blessing. We read in Malachi 3:10, "Prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."

COOPERATIVE PROGRAM REPORT

Report #7

After more than forty-four years, there is still some misunderstanding among our Baptist people about the Cooperative Program. Some yet think that this is an object TO which we give rather that a channel THROUGH which we give. This program was devised by wise leaders of the past so that ALL of our people of ALL of our churches could give to ALL of the causes in which we as Baptist believe. It is a plan of working together to do what no individual Christian or church could do alone. Thus it is called the Cooperative Program. Because my church gives through the Cooperative Program, I have the assurance that part of God's tithe and my offerings placed in the collection plate week by week are joined with the tithes and offerings of others to support every aspect of the ministries of teaching, preaching and healing in the name of Christ at home and abroad that our State and Southern Baptist Conventions have adopted. Mrs. R.L. Mathis, president of the Woman's Missionary Union of the Southern Baptist Convention, has stated the matter as follows: "The Cooperative Program offers all Southern Baptist churches a plan for "together giving" to all mission causes which we hold dear. Week by week we give and from these gifts the world mission enterprise becomes vital and real.

"The Cooperative Program dollar flows like a river from the individual through the church to the state where it is divided and a part of the money is used to do mission work in each state. The other part is sent to the Southern Baptist Convention where the money is again divided and used to support the cause which we hold dear.

"If once we could get the information to all members of our churches that the Cooperative Program is everybody's program, we would realize the possibility of bringing new life to our churches."

Under our present arrangement, the Cooperative Program is the MAIN channel - the LIFE LINE, if you please - of support for World Missions, Christian Education, Social Services and an ever expanding State Missions program. The question for us here to consider is: How well are we doing in the Flat River Association with our giving through the Cooperative Program? We have thirty-two churches. Of this number, 31 gave through this channel last year. The total amount given was $48,302. I think that all of us will agree that participation should be 100% by our churches and that each church should and could give more. Therefore, we make the following recommendations:

1. We recommend that our pastors focus on developing a GLOBAL CONSCIENCE on the part of Southern Baptists in the Flat River Association.

2. We recommend that every church in the association include the Cooperative rogram in the budget on a percentage basis.

3. We recommend that in planning its budget each church undertake to set the per-entage of its budget to be given through the Cooperative Program BEFORE rather than FTER the other items in the budget are determined, thus implementing our conviction iat missions is first rather than last in the responsibility of a Baptist Church.

4. We recommend that our churches continue to use one of the stewardship de-elopment programs of the Stewardship Commission of the Southern Baptist Convention s the main instrument to plan, promote, and pledge the annual church budget. These tewardship development programs are: Forward Program of Christian Stewardship, rowth in Christian Stewardship, Christian Family Stewardship, Tithers Enrolment Veek, Weekend Stewardship Revival.

Clarence E. Godwin

REPORT OF STATE MISSIONS

eport #8

Working through six departments and specialized ministries, the Division of issions may be classified as: Department of Metropolitan Missions (over 2500 pop.), own and Country (under 2500 pop. and all rural areas), Fruitland Baptist Bible In-titute, Deaf Work, Interracial Cooperation, Chaplaincy Ministry, Military Ministry, herokee Ministry, Leonard Training School, Samarcand Training School, McCain Sani-orium, Odom Prison, and Morrison Training School.

Service to local churches, especially mission churches, is stressed with the llowing points of special emphasis: pastoral aid; lot aid; competent counsel (when equested); and cooperation between divisions and local.

Resort and Christian Social Ministries are receiving healthy response at present nd brings home the fact of the Division's concern for the salvation of the whole man.

I fear no contradiction when saying, "Man is saved by faith". But how many having o difficulty giving evidence of their faith without GOOD WORKS?

REPORT ON HOME MISSIONS

eport #9

The concern for making men disciples of Jesus Christ is the theme of all home issions activity.

During 1968, Southern Baptists were led by the Home Mission Bord to respond to society filled with assassinations, riots, elections, racial problems and other rises, through three major emphases:

EVANGELISM - In preparation for the Crusade of the Americas, numerous pre-minary meetings were held, such as a thousand associational rallies, plus many, iany other actions. In our own Flat River Baptist Association, 12 of our 32 churches ook part in simultaneous revivals.

ESTABLISHMENT OF NEW CHURCHES IN PROJECT 500 - Church loan assistance,

which is available to new congregations when needed for purchase of sites or construction of buildings, went to 306 churches, with loans totaling more than $7 1/2 million. More than 150 projects were started during 1968; however, this project was slowed because of inadequate funds.

MEETING SPECIAL MISSION NEEDS - Forty thousand New Testaments were bought and distributed, plus distribution of one-half million others in various languages.

There are 680 active Chaplains in the military service, plus 644 in reserve, and 306 serving in hospitals, institutions and industry.

Other areas of special mission needs include: pioneer missions work, metropolitan missions, language missions, Christian social ministries, work with National Baptists, work related to other Christian faiths (Jews, Catholics, Mormons, etc.), and Youth and Family Services, which ministers to alcoholics, first offenders and others.

The Home Mission field has expanded from thirteen southern states in 1845, to all fifty states, plus Puerto Rico, Cuba and Panama, with 2,385 missionaries presently serving. These missionaries are dependent on the prayers, involvement, and financial giving of Southern Baptists through the Cooperative Program and Annie Armstrong Easter Offering.

For the year ending September 30, 1969, 30 of our 32 churches in the Flat River Baptist Association contributed $6,538. to Home Missions. We desperately need to continue to support, and indeed, to increase our giving to these causes, so that the seventy-five million unchurched people in our country may be reached for Christ, and that America will become a Christian nation.

God's word reminds us, "Blessed is the nation whose God is the Lord."

Respectfully submitted,
Mrs. Frank N. Currin

REPORT OF FOREIGN MISSIONS

Report #10

The Flat River Baptist Association has a vital interest in the foreign mission ministries of the Southern Baptist Convention. Presently 3 of our native daughters are serving with their families. In Africa, Mrs. Ralph Harrell (Rosalind Knott) and Mrs. Hugh McKinley (Rebecca Knott; and Mrs. Edward Gordon (Audrey Jolly) in the Philipines. Our Association also claims two retired missionaries: Mrs. Pauline Gillespie and Mrs. Bela Udvarnoki (Ruby Daniel.) A number of former pastors from our Association are now on the foreign field.

At the close of 1968 the Southern Baptist Foreign Mission Board had an overseas missionary staff of 2,371, serving in 67 countries. This number included 119 missionary associates, 3 special project medical personnel and 122 missionary journeymen. There were 247 new appointments during the year.

The ultimate purpose of foreign missions, as well as all Christian endeavors, is the leading of people to new life in Jesus Christ and the cultivation of New Testament churches. We now have 5,154 churches, 6,974 mission points and 4,413 national pastors on foreign fields. Reported in 1968 were 50,003 baptisms, 611,470 church members and 538,304 enrolled in Sunday Schools.

Other ministries include 837 schools in 43 countries; 27 overseas publication centers; 21 hospitals and 83 clinics and dispensaries; and various related ministries

inistering to the physical, emotional and spiritual needs of mankind.

Total contributions to support foreign missions amounted to $29,745,692, as 1968 losed, of which $15,159,206.92 was received through the Lottie Moon Offering. he churches in our Association contributed $12,922. through the Lottie Moon Offering.

What part can we as individuals and churches of the Flat River Association have the foreign mission work of our Convention? First, we must genuinely pray for our issionaries and the nationals with whom they work. Second, we must generously con-ibute our money to meet the pressing financial needs in a world of inflation. Third, e must gravely consider the responsibility to practice at home what we preach on the reign field in the realm of human relations and dignity. Finally, we must graciously ve of ourselves and of our sons and daughters to the high calling of missionary vo-ations. May God help us to be faithful to the great challenge before us.

Respectfully submitted,
Leslie Giles

SUPERINTENDENT OF MISSIONS REPORT

eport #12

I have a deep feeling of appreciation to God and you for the opportunity to serve ere among you.

Statistics reflect many of the aspects of this ministry in a tangible way, but oes not give an accurate story of the mission endeavors. These statistics are from ne first of July. Church visits 36; Meeting with persons 47; Committee Meetings 18; orrespondences 787; Newsletters 1577; and Miles traveled 4,307.

In a separate report, you will find a summary of the first nine months of this ssociational year as compiled by our Office Secretary.

The present challenge of the association places stress on the need to assist ne local churches with their on-going programs and the administration of these ctivities. The 1970 interpretation of the changes in the structures and curriculums f the local churches will demand the best we can bring forth for the advancement f the kingdom.

The future involvements of the association actually causes us to re-evaluate the ethodology of the association.

(1) To study organization structure, to re-define tasks and assign priorities to e performed.

(2) To discover the best methods to minister to the thousands who come to our ssociation as vacationers.

(3) To investigate the possibility of ministering to Industrial relationships.

(4) To begin immediately the coordination of some forms of ministries in the asso-iation to the institutions. This ministry will be called Community Weekday linistries. At present investigation, there are eleven (11) institutions which demand ur response to them.

It is the desire of your staff to perform and minister in the name of Jesus Chris and Flat River Baptist Association. We request with a deep longing in our heart fo your suggestions and especially your prayers in our behalf.

Respectfully submitted,
Daniel F. Page, Supt. of Missions

From the period beginning October 1, 1968 to June 30, 1969, the followin figures given the statistical report from the associational office: Correspondenc 1,745; Newsletters 4,596; compiled and mailed 276 copies of the Calendar o Activities; Meetings 11 individual; 11 group; and 26 committee.

It was indeed a privilege to serve with you during the interim period. To see Christian love manifested through your cooperation and prayers made the work load seem easier to carry.

It is a real joy to continue serving with you in the associational office and especially to have the opportunity to work with Mr. Page, our Superintendent of Missions. I thank God each day for directing this man and his family to our Associa-tion. In order to go forth in our associational missions program, we must commit ourselves anew to God and pledge our support and service to Mr. Page and never cease to pray for God's guidance.

Mrs. James E. Frazier,
Office Secretary

REPORT ON EVANGELISM

Report #13

My Dear Friends, I am happy to report to you that this has been a good year among our churches as we endeavored to do the work of evangelism. While we were not able to achieve all the goals we set for ourselves, we rejoice that there had been an awareness of genuine revival among the people and churches of Flat River Association. Those churches reporting Crusade of the Americas Revivals have indicated a strong renewal on the part of members with a desire to make a new start to move with God in His purpose for His people.

During the year your evangelism committee endeavored to promote evangelism among the churches and to assist all the churches in revival activities. From these churches willing to prepare for revival we are happy to make this report: During the year we received into the fellowship of our churches 275 persons baptized and 179 by transfer of church letter or by statement, for a total increase in church membership of 441. There was an increase of 95 baptisms over last year.

Of the 32 churches in Flat River Baptist Association, 12 reported they were participating in the Crusade of Americas. It is impossible to make a comprehensive report of the results of these Crusade endeavors, but the general summary indicates a deeper commitment of life to Jesus Christ with a greater awareness of the needs of the world for Jesus Christ who is indeed the ONLY HOPE.

It is my firm conviction that if more people WANTED revival and would commit themselves to preparing for revival through prayer, and working the proven mechanics of revival, then God would "... forgive our sin and heal our land."

Now, the big challenge before us is to continue to move with God and to let the

Holy Spirit use us to influence others to move wholeheartedly in God's holy purpose for them. Set your eyes upon Christ... He knows where He is headed, and He waits for us to catch step with Him and march victoriously into the future.

If your committee on evangelism can serve you in any way, please call on us.

Respectfully submitted,
Earl H. Howard

REPORT ON BAPTIST COLLEGES

Report #14

During this past year some 12,000 plus students were enrolled in our seven Baptist Colleges. One of the services which these colleges render to the determination is that of preparing young men and women for church related vocations. There are approximately 600 students enrolled in our Baptist Colleges who will become pastors, missionaries, directors of Religious Education, directors of Church Music, Chaplains, denominational workers, and Christian college teachers.

A new program was inaugurated this summer in which the Baptist Colleges joined hands with the church training department to utilize college students for summer work in the local churches. Splendid reports are being received from churches who have employed these young people.

It should also be noted that Baptist college students are working in a number of other areas and programs: summer assemblies, Brotherhood Dept., Woman's Missionary Union, Vacation Bible School, Audio-Visual Aids, Dept. of Work with the Deaf, Town and Country Dept., and Inter-racial Cooperation Dept. College students can be helpful to the churches not only during the summer, but throughout the year as well. If any church is interested in having some of these young people come, one of our Baptist colleges should be contacted.

The churches are urged to begin to think about and prepare for the observance of Baptist College Day on Sunday, June 21, 1970. Baptist churches in our state have been supporting the Baptist College Day offering two ways. Some use the envelopes and take a special offering. Other churches include all of the special offerings in the budget. Our colleges are in financial need and are worthy of our financial support.

Someone has said that America today is a place where people know the price of everything and the value of nothing. Baptists and other Christians have an opportunity through their colleges to place a fresh emphasis on man's moral and ethical responsibilities. Christian colleges can play a significant role in helping America gain a worthy sense of values. It is still more important to know how to live than how to make a living.

REPORT OF BAPTIST CHILDREN'S HOMES

Report #15

Ours has been described as the "Now" generation. The Children's Homes are one of our greatest opportunities to reach and develop Christian citizens. Through this application of the teaching and example of Christ in His earthly ministry more than

1200 children and their families are being served annually. Through this program leadership is provided for group care programs, foster home care, family services consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the State.

This service is made available to just as many as available funds permit. The inflationary economy affects the budget of our Children's Homes just as we personally are affected. More variety is needed in the program of the homes to meet the needs of children who are products of today's complex society. More funds are needed.

Expansion is underway at the Broyhill Home in western North Carolina, Mills Home and Kennedy Home. In Asheville, N.C., a ministry to serve unwed mothers and their offspring is being developed. This type expansion is being financed in large measure by special designated gifts and bequests from individuals and families.

An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Children's Homes are financed by the Cooperative Program, the Thanksgiving Offering and special gifts. All these are essential for the continued operation of the homes to the maximum of their potential.

We all must pray and we all must give. Last year 26 churches in the Flat River Association responded to the Thanksgiving Offering for the Homes with an offering totaling $4,442. In the light of the message received at this Association, can't we accept the needs of the Home as a special challenge for the annual Thanksgiving offering in 1969? Consider the needs of the "Now" generation for Christian guidance when you receive opportunity to support this ministry with your funds; pray earnestly and then give as God directs.

Oliver Cash

REPORT OF N.C. BAPTIST HOMES FOR THE AGING

Report #16

Never before have your Baptist Homes for the Aging been more conscious of the Lord's presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging - the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we

re to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes - Resthaven and Hayes Homes in Winston-Salem, the Albemarle Home in Albemarle and the Hamilton Home in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

Respectfully submitted,
Mrs. Violet Coats

REPORT OF N.C. BAPTIST HOSPITAL

Report #17

Our Baptist Hospital continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of diseases which affect us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

Last year 24 of our 28 churches in the Flat River Baptist Association contributed $2,924.65 to the hospital. From January through August of this year 21 of the 28 churches has contributed $2,277.09. With the increased cost of hospitalization, the Mother's Day Offering would not last three months if it were not for the help from other health agencies. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose; however, the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offering is used for this purpose alone and the hospital makes them go as far as it possibly can. The hospital and its' staff are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Respectfully submitted,
Mrs. John Roy Williams

REPORT OF THE CHRISTIAN LIFE COMMITTEE

Report #18

The Christian Life Commission of the Southern Baptist Convention is an attempt on the part of responsible denominational leadership to confront and unravel some

of the plagueing problems of believers who must find meaning in today's world. It seeks to give guidance to the awesome moral, social, and political problems of our age. The Commission places emphasis on the relevancy of the Christian faith to the pressing social issues that gnaw at the moral fabric of this nation. It strives to help us confront from the Christian perspective problems of family life, race relations, daily work, Christian citizenship, politics, drug addiction, alcohol, pornography, and other specific moral issues.

For too many decades the churches have been "tending shop," promoting attendance and enjoying the success thereof without seriously contemplating the awesome problems that were about to break in on this culture and its people. The events of the 1950s and 60s found the churches unaware and unprepared. As a denomination staggered by these events, we soon found that the problems would not go away. Indeed, if the church was to remain relevant to the modern era, it had to address the issues that swirled about it. In contemporary language it had to become involved and lose its "saltness." We remember proudly that the first century church did not fail to speak, write, and debate the awesome issues that challenged the social order of their day. Gnosticism, the issue of Christ or Caesar, pagan vx Christian morality, and the pagan religions were very real to the early church. While the issues today are secular in nature, they are nevertheless just as real and perhaps even more of a threat to the Christian faith. It behooves the Christian Church - both pastors and laity - to face the new paganism grounded in a depth of understanding of what the Christian faith means to these issues. We can hope that the church of future centuries will look back to the twentieth century church and be as proud of us as we are of the first century church, because we remained faithful to our Lord by addressing vigorously the issues of our day.

By its very nature the Christian Life Commission has not kept above controversy. In fact, it was spawned in controversy, and has remained controversial because of the very nature of its purpose which is to lead us to the cutting edge of applied Christianity in the moral and ethical realm.

In seeking to fullfil its mission the Christian Life Commission calls upon the local church and makes itself available to help the local church to confront and study the complex issues that permeate our disordered society today, to seek an answer based upon honest Biblical study and to act upon the conclusions reached to work for rightness in the communities where they are located. The promise is that when the local church is willing to lose itself - to die if necessary - it will find itself and discover a power it has not known before.

Respectfully submitted,
David D. Blakely

REPORT OF THE GENERAL BOARD

Report #19

It is impossible to give you in detail what happened in the three meetings of the General Board which involved a part of six days not including the various committee meetings of the Board. The Executive Committee of the General Board meets at least once every month. I am one of the General Board members serving on the Council of Christian Higher Education.

The two most important recommendations coming from the General Board to be presented at the Baptist State Convention of North Carolina at its annual meeting

November 10-12, 1969, at Fayetteville, N.C. are as follows:

1. That the base budget for 1970 be $7,000,000, through the Cooperative Program. The overall goal be set at $7,200,000.
2. The consideration of the report of the committee of Twenty. This committee has been working for two years on the problem of the needs of our seven colleges. This report is in the October 11, 1969 issue of BIBLICAL RECORDER.

The Board recommends that 33.34% of the base budget be allocated to the Southern Baptist Convention, 25.6% to Christian Education, 11.6% to Social Service Institutions (Homes for Aging, Hospital, Children's Homes), and 29.46% to State Missions (General Board Programs).

The Board further recommends that the "overage" beyond $7,000,000. be divided in the same percentage formula as listed above for the basic budget.

Respectfully submitted,
Warren T. Bush

REPORT OF RELIEF AND ANNUITY BOARD

Report #20

Inflation and economy continued to increase in 1968. This increase affects the buying power of everyone, including the retired and those with failing health.

The Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income for retiring ministers, church staff members and denominational employees. The Annuity Board and state conventions recommend the action already being taken by some churches and agencies of upgrading retirement programs by as much as 10% of salary.

The Protection Program's three plans, Plan "A" which is the basic retirement fund; Plan "B", the supplementary fund and Plan "C", the variable fund, as well as the Life and Health Benefit Plans all received good response during 1968. This response is evident in the 3,451 new members in the program. There are 145 agencies providing protection for 9,894 employees. During 1968 there was $6,543,169. paid in total relief and protection benefits. There was a net gain in application for the Health Benefit Plan of 1,677 and a net gain of 134 for the Life and Benefit Plan.

For the third consecutive year, there has been an extra check amounting to 12% of each person's annual benefit paid by the Annuity Board. This was made possible by interest earnings in excess of the amount necessary to pay retirement benefits. These excess earnings are distributed to plans of active members as well as to retired persons.

Flat River Baptist Association has the following churches, as well as the Flat River Association, taking part in the Annuity Program: Amis Chapel, Bullock, Butner, Corinth, Delrayno, Dexter, Enon, Fellowship, Florence Avenue, Grassy Creek, Hester, Knott's Grove, Mountain Creek, Mount Zion, Olive Grove, Peace's Chapel, Pleasant Grove, Providence, Rock Spring, Stovall, Tabbs' Creek, Tally Ho, West Oxford, Oxford Baptist and Creedmoor First. This makes a total of 27 persons enrolled.

Respectfully submitted,
Mrs. Walter Raynor

REPORT OF BAPTIST FOUNDATION

Report #21

The assets of the North Carolina Baptist Foundation, Inc., have now reach beyond the one million dollar ($1,000,000.) mark, including trust funds and re estate. Since the reactivation of the Foundation, around 1962, the total asse have increased from $350,000. to the present excess of slightly over one millio This is positive proof that the Baptists of North Carolina have discovered th the Foundation is really a SERVICE arm of the Baptist Convention of N.C.

As mentioned above, the Foundation renders a service to: (1) God, (2) inc vidual Baptists, and (3) Baptist agencies and institutions. Every Baptist has a opportunity through his Foundation to provide for continuing stewardship in th agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the makir of wills. Several of our churches have used the facilities of the Foundation t conduct Will Clinics and reports from these clinics indicate that they were mos successful. We have also had an opportunity to counsel with many people concernin their own wills, and in some instances we have provided the information an direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundatio is on the move and is rendering service to individual Baptists in a most concrete way

CHRISTIAN LITERATURE REPORT

Report #22

Too many Baptist people are in the dark when it comes to knowing what our Churc Literature Department offers us to work with and learn. The number of publication: the Department offers is a larger value of material covering every department of th Church as well as special studies. For the purpose of this year's report, I will lis some of these materials on both the state and convention level.

The Sunday School lists some thirty-six publications on a quarterly basis. This figure does not include the yearly publication of the lessons in hardback cover. We are offered two series of lessons at this time - the Uniform and the Life and Work which is the denominational series. The BUILDER is the Sunday School magazine and offers aid to Sunday School workers.

The Training Union is one arm of the training program of the church. In the field materials are offered in every area of church training from new member classes to deacon training. Training Union seeks to train church members in all subject matters related to the functions of the church. There are at least twenty-two publi- cations on a quarterly basis. The TRAINING UNION MAGAZINE, DEPARTMENTAL TRAINING GUIDES, and BIBLE READERS GUIDE gives assistance in programing.

Our periodicals:

1. HOME LIFE is patterned to meet the spiritual needs of the family and is considered by many to be the most interesting publication set forth by the Department.
2. OPEN WINDOW is the pocket size devotional magazine for personal use.

3. CHURCH RECREATION is the magazine which deals with the recreational program of the church. There are articles telling what other churches are doing as well as ideas for your church program.
4. CHURCH LIBRARY - This is geared to meet the interest and needs of the local church library. It gives suggestions for the buying of books and deals with the procedures of the library.
5. CHURCH ADMINISTRATION is a magazine which is put out for use by the Church Council, staff members and deacons. It offers the latest ideas and advances in running the church. It presents issues which concern the church at a given time.
6. CHURCH MUSICIAN is one of five music department publications. It offers among other things - the hymn of the month and anthems for the choirs of the church. The other four publications are for Junior, Youth and Primary musicians and the Church Music Leader.
7. BAPTIST STUDENT is a vital link for the student away from home. It seeks to link the student and his church together during college days.

Publications not published by the Church Literature Department:

1. HOME MISSIONS - This is one of the most controversial publications in the Baptist life this year. It is published by the Home Mission Board and seeks to deal with the problems of our day with real answers.
2. COMMISSION is the Foreign Mission Board's magazine and gives news and stories that come to us from the foreign fields we serve as Baptist.
3. ROYAL SERVICE is the Woman's Missionary Union magazine and is a guide to their work. There are other magazines for the various groups in this department - TELL for Girls' Auxiliary; WINDOW for Young Woman's Auxiliary; and SUNBEAM ACTIVITIES for Sunbeam Band leaders.
4. BAPTIST MEN'S JOURNAL deals with mission work among the men of the churches. THE ROYAL AMBASSADOR is the magazine for use among the boys of the church.
5. BIBLICAL RECORDER is the North Carolina Baptist newspaper. It gives information from the state officers, news from the churches and articles dealing with current issues which affect us.
6. CHARITY AND CHILDREN is the state paper which comes from the children's homes of North Carolina and gives news of the work there.

Note: Much of the material in this report is subject to change as our program hanges in the 70's. Also, not all publications are included, but those of major nportance to the church are here.

REPORT ON MUSIC

eport #23

During the past year, the Music Committee has planned and conducted three Hymn ings in three of our churches. A fourth was planned but had to be cancelled because f snow.

A Music Conference was held as a part of the Vacation Bible School Clinic, and arious area and state meetings were promoted.

Three of our churches had choirs represented in the Regional Choir Festival. They

were Butner, Delrayno, and Oxford Baptist.

A new feature of the ministry of the Music Committee this year was the establishing of Church Musicians Fellowships. Three were held throughout this past year. This served as a time for talking through mutual problems in the various choir programs of our different churches. This also gave the organists and choir directors an opportunity to gain insight into better methods of teaching and presenting music to the local church.

Our projected plans for 1969-70 include the formation of a men's chorus. The group will be organized under the leadership of Mr. Roy Allen of the West Oxford Church, with Mr. Doug Roebuck of the Tabbs Creek Church serving as musical director. This group will be available to sing for such functions as revivals, Baptist Men's meetings, and will be a featured part of the Annual Meeting in 1970.

The Hymn Sings will continue to be an important part of the work of our Association. The Sing on December 14 at Peace's Chapel will offer us the opportunity to hear some of the Christmas music from several of our churches. The Sing scheduled for March 8, will feature the quartets, trios, and various small ensembles in our area. September 20 will offer a chance to hear and sing the great hymns of the church.

The Church Musician Fellowships will continue. They are to be held on Tuesday nights: November 11, January 13, April 14, and September 15. These will be centered on practical problems facing the volunteer choir and should prove useful to all directors and accompanists.

Respectfully submitted,
Mrs. Frank Daniel

SUNDAY SCHOOL REPORT

Report #27

The Sunday School is the key organization of the church for teaching the Bibl There is an increase in the awareness of the need for better Bible teaching in o Association. The Sunday School will be participating in the Interpretation Clinic of the 70's materials. I have traveled to Ridgecrest for an over-night meeting i which these materials were visualized to us. HISTORY OF PROVIDENCE BAPTIST CHURCH

March 19, 1907 is the official date of organization of the Beulah Baptist Chur now known as the Providence Baptist Church. Many months and even years of pl planning had preceded the organization. People of the community were mostly memb of the Tally Ho Baptist Church and it was in the fall of 1906 that five men, all whom were active members of Tally Ho, petitioned their church for permission organize a new church. This "permit" was granted and Sim Brinkley, Lockett Parha Carl Piper, George Royster, and Thomas Smith became the organizing committee. the third Sunday in March, 1907, representatives from the four nearest Baptist Church met and formed a Council with Dr. Frank P. Hobgood, president of Oxford College, the moderator. Churches represented were Tally Ho, Enon, Oxford, and Mount Zio Thirty persons from Tally Ho became the Charter Members. They were: Mrs. Lizz

ington, Miss Lelia Arrington, Miss Bessie Arrington, George Arrington, Ben Arring-
, Mr. and Mrs. Sim Brinkley, Miss Salena Brinkley, Mrs. Nannie Cary, Mr. and Mrs.
n Harris, Mr. and Mrs. Luther Oakley, Mr. and Mrs. Carl Piper, Mr. and Mrs.
. Parham, Mr. and Mrs. Wm. Ragan, Mr. and Mrs. Thomas Smith, Mr. and Mrs.
d Smith, Miss Cozie Smith, Mr. and Mrs. George Royster, Miss Lettie Royster, Mrs.
nnie Piper Wheeler, Miss Maylor Wheeler, Mrs. Minnie Wheeler Gooch. The church
s accepted into the Flat River Association in July, 1907.

The Rev. Joshua Stradley, pastor of the Tally Ho Church, is considered to be the
nder and became the first pastor and served until his death in 1912. Officers of the
y church were; Clerk, Thomas Smith; Treasurer, Carl Piper; Sunday School Supt.,
rge Royster; Deacons, Carl Piper and Sim Brinkley. Since that time a host of de-
ated and willing men and women have served the Lord through offices in the church.

In the fall of 1907, the small band of members erected their first building near the
t office of Hargrove, on a lot donated by Mr. and Mrs. P.L. Parham. Prior to that
y had been meeting in the school house.

This building was added to in 1912 and again in 1936 and served the congregation
il 1950 when the present building was erected. Since 1950 the old building has
ved the community as a Community House.

In 1922 the name of the church was changed from Beulah to Providence. Factors
olved in the name change were that with the closing of the Hargrove post office,
community became known by the name of the train stop of Providence and the
rch adopted the same name.

tors who have served the church are:

A. Stradley	1907-1912	G. Van Stephens	1930-1940
T. Tunstall	1912-1914	J. Marshall Walker	1941-1943
A. Tatum	1915	James W. Cummins	1943-1945
G. Bryant	1916-1918	W. Isaac Terrell	1945-1950
G. Usry	1919-1922	Clyde F. Melton	1951-1953
J. Teague	1923	P. A. Cline, Jr.	1953-1955
G. Hartsell	1924-1930	L. W. Smith	1956-1967

Herman L. Smith 1968-

Each of the pastors left their mark upon the congregation, each man leading as God
ected him. Space does not allow an evalution of each one's ministry.

From the beginning, the church has had organized Sunday School and women's work
l the Sunbeams were begun early in the life of the church. Other organizational work
s gradually added until in 1956 the various divisions of Sunday School, Training
ion, Woman's Missionary Union and Brotherhood were functioning. During its life
church has ordained to the Gospel Ministry three young men, namely Bernice W.
kson and L.J. Newton, Jr. in 1943 and Billy Lynch in 1966. The Rev. and Mrs.
. Cline were members of the church when they were officially appointed as Foreign
ssionaries.

Present property of the church consists of its present plant, a pastorium adjacent
the church, and the old building now used as a community house. In the year 1969
urvey committee has been at work seeking to find the needs of the congregation for
next generation and preliminary plans have been drawn for an additional educational
lding.

"The Seed Corn" of 30 charter members multiplied until there are about 500 me bers with 360 of them resident. The Providence Church, like most Flat River Church still has a tremendous missionary outreach within a few miles of its doors before can claim that the community has been totally reached for Christ. But we do cla that this church has had a tremendous impact on those who live in its radius and pay tribute to the thirty persons who had courage enough to begin a "good thing", ov coming what seemed to be almost unsurmountable obstacles, yet God has kept His promises and blessed the efforts in 1907 and continues to bless these who m up the church in 1969.

REPORT OF THE EXECUTIVE COMMITTEE

Report #2

During the year 1970, the Flat River Baptist Association began to exercise the theme of our last annual meeting - that being, "Forward Together." At the January meeting of the Executive Committee, the Missions-Advisory Committee recommended that a worker be employed for the summer of 1970 to go forward with a resort ministry at Kerr Lake. This recommendation was adopted and Mr. Jerry Broyal, a college student and member of the West Oxford Baptist Church, was employed for the summer with part of his salary coming from the State Convention and part from the churches in the Association. He worked in cooperation with Island Creek Baptist Church in that this church had previously started a resort ministry at Kerr Lake. The Kerr Lake work was the type ministry that the Executive Committee had felt should be promoted by this Association.

The associational parsonage on Mooreland Drive was sold in December of 1969 for a gross sales price of $10,200.00. We received a net price of $9,570.00. Six hundred dollars was taken from budget to pay off the deed of trust and this was replaced in the budget after the sale. This resulted in a gain from the sale of the house of $8,970.00. This gain, plus $30.00 to make it even $9,000.00 was invested in a Federal Land Bank bond that yields eight per cent interest per year. This investment was pursuant to the Executive Committee report that was adopted last year.

At the July meeting of the Committee, the following people were elected to fill the positions as indicated: Mr. David Blackwell, Director of Sunday School; Mr. Ray Morgan, Director of Church Training; Mr. George Gresham, Director of Brotherhood; and Mrs. Rowena Frazier, Director of Woman's Missionary Union.

This Association was recognized by the Southern Baptist Convention for the outstanding associational Annual submitted by our Association for the year 1969. We received Outstanding Plus, then the Outstanding Plus Annuals were re-judged; thus the 1969 Annual of the Flat River Baptist Association received "Annual of Distinction Award." This is the highest award that can be received for an Annual. There were six annuals in North Carolina that received this award. All of the clerks in this Association are to be commended for the effort in making this possible and a special word of commendation is given to Mrs. Gerald Rene Frazier in her position as Clerk of this Association. In reviewing the Annual, one will certainly be conscious of its present value in addition to its historical value in that this is the only official record kept of the associational activities.

From this report and the others that you will hear, one will quickly realize that the committees and paid personnel within this association have been going about their duties in a dedicated and productive manner, requiring little assistance from this committee. The Executive Committee has had a minimum amount of business before it. It appears that the churches of this association are in complete harmony concerning the work before us, and I believe that within the next few years there will be several new ministries serving certain neglected areas of this association, and the work will be accomplished by all associational members working together.

Respectfully submitted,
Claude W. Allen, Jr., Moderator

REPORT OF THE MISSIONS-ADVISORY COMMITTEE

Report #3

The Missions-Advisory Committee met quarterly to confer with and advise the Superintendent of Missions and to help plan mission work in the Flat River Association.

In the January meeting, the following were elected as officers: Talmage Williams, Chm., Mrs. James R. Frazier, Vice-Chairman, Earl Howard, Secretary.

The committee was informed that the State Baptist Convention would pay $700.00 for the salary of a Summer Resort Minister to work at Kerr Lake. The proposed plan was for this minister to work alongside Rev. Clyde Pearson and the Island Creek Church who have conducted a successful resort ministry in the Nut Bush area for several years. The Missions-Advisory Committee voted unanimously to recommend this cooperative ministry to the Associational Executive Committee. The proposed plan was put in operation with Jerry Broyal of the West Oxford Church as Resort Minister.

The committee explored with the Superintendent of Missions the possibility of a Christian ministry in the Institutional complex at Butner. Most of the institutions would welcome such a ministry. It is hoped that through aid from the Home Mission Board of the Southern Baptist Convention and from the Baptist State Convention in conjunction with support from the Flat River Association, a highly trained minister can be stationed in Butner to coordinate needed ministries in the various institutions.

Through the efforts of the Superintendent of Missions and interested persons of the Enon Church, a Mission Bible School was conducted in the Bullockville community. Thirty-one were enrolled and there were three professions of faith.

During the year fifteen of the churches have participated in a limited ministry at Murdoch Center, Butner, N.C.

We have sought to focus attention on the mission field within the geographical bounds of the Flat River Baptist Association. Truly the Lord's Words are applicable: "Lift up your eyes and look upon the fields for they are white already unto harvest... The harvest truly is plenteous but the laborers are few; Pray ye therefore the Lord of the harvest, that He will send forth laborers into his harvest."

Our hope and our prayer is that Flat River Association, under God, will see the needs that exist and move forward committed to the mission of ministry in Christ's name.

Respectfully submitted,
Talmage Williams, Chm.

REPORT OF WOMAN'S MISSIONARY UNION

Report #5

Woman's Missionary Union is committed to helping a church fulfill Christ's purpose on earth. The work done by Woman's Missionary Union is church work. As WMU assumes the responsibility for helping the church, this program organization makes a distinctive contribution to the total life and work of a church.

God has been working through WMU in Flat River Baptist Association again this year. Woman's Missionary Union attained the honor being a DISTINGUISHED ASSOCIATIONAL WMU for the second year in succession.

The fall leadership training session was one of the best we ever had, we hac twenty-four churches present for this training session. During the early spring we ha an Associational Shaping the Seventies conference in four different areas of the as sociation with 24 churches being represented. All churches in the association wer contacted as assistances offered.

Each quarter during the past year Mission Action groups from 17 different churche have visited Murdoch School at Butner, and carried a message of Love and fellowshi and witness into this school.

During YWA focus week, there was an associational YWA banquet held at Wes Oxford with a good attendance and also a very good meeting.

The regular Spring Annual WMU meeting was held at Dexter in the Spring with very informative and inspirational meeting. The attendance was good.

During GA Focus Week, the Associational GA Rally was held at Enon with over 20 in attendance. This was one of the largest groups we have ever had at an associationa GA meeting. This was also a good meeting.

This year Sunbeams decided to have two day camps, one at Mountain Creek, an one at Pleasant Grove. This proved to be very successful, both these meetings wer well attended and both meetings were very good.

There are a total of eight Girls Auxiliary groups at the Oxford Orphanage with 8 members. The 10 year old group, grade 5, was an Advanced group with Mrs. R.T Greene and Mrs. Harold Yeargin as leaders. The 12 year olds, grade 6, was Merit wit Mrs. A.I. Park and Mrs. Brent Meadows as leaders. The Intermediate groups led b Mrs. A. T. Freeman were Merit. Anyone desiring to contribute subscriptions to th Girls in Action and the Acteens magazines is asked to contact Mrs. Clarence God win or Mrs. James Chaplin.

You can see God has really been working through WMU in our Association durin the past year.

"If the Son therefore shall make you free, ye shall be free indeed." (John 8:36

REPORT OF BROTHERHOOD

Report #6

Greetings from your associational Brotherhood officers! We are pleased with th attendance at our two training sessions last month even though all of the churche were not represented. We feel that some progress is being made in understanding th few changes for the seventies. Some of the R.A. Chapters have already picked up th 6, 7, and 8 year olds and are training their leaders. We had about 50 leaders at thes two training sessions for Baptist Men and R.A. Leaders. If your church does not hav Brotherhood work, won't you try to get it started?

We can see a great need for training our men and boys in mission work today t cope with the many problems facing us and reaching those who are not in church With our expanded work in the association, there is a great need for trained men an boys to witness to those who are less fortunate than we are.

The motto for the R.A.'s is, "We are Ambassadors." In II Corinthians 5:20, w

read, "Now then we are ambassadors for Christ as God did beseech you by us." Won't you become Ambassadors for Christ and get involved in Brotherhood work in your church and the Association? We are hoping to plan more activities for the R.A.'s and Baptist Men in the coming year so we can arouse more interest in the work. Please call us if you need help in starting new chapters or strengthening your present work. Our associational officers have already met with one church to train leaders and are planning to meet with another in the near future so we are ready to help you.

Respectfully submitted,
George Gresham, Assoc. Brotherhood Director

REPORT OF
STEWARDSHIP AND COOPERATIVE PROGRAM 1970

Report #7

In a day when many major denominations are cutting back their missions programs, we are pleased to report that Southern Baptists are making large advances. For instance, in the last seven years we have gone from $8,452,410 to $13,836,619 given through the Cooperative Program. Similar increase could be shown for all phases of our work. MISSION is the heartbeat of all our work and the Cooperative Program is the MAIN channel, or LIFE LINE, through which we, as Southern Baptists, GIVE TOGETHER to all mission causes which we hold dear.

CONCERN FOR PEOPLE is the Cooperative Program theme for the year 1970-1971. The Cooperative Program is the main channel of supporting World Missions, Christian Education, Social Services, and ever increasing State Missions programs. The goal for this year in North Carolina is $7,000,000 for the Cooperative Program. During the year just ended 29 churches of the Flat River Baptist Association gave $48,562. through the Cooperative Program.

To help the churches of the Flat River Baptist Association grow in support of Cooperative Program endeavors, we recommend:

(1) That our churches keep in mind the inflationary trends of our economy and plan to increase their contributions to all mission causes. That each church establish some definite dollar and/or percentage goals toward which to work during the next several years.

(2) To increase the percentage of the offering plate dollar given through the Cooperative Program.

(3) That every church observe Cooperative Program MONTH in October.

(4) That every church observe Cooperative Program DAY in April.

(5) That every church use a stewardship program to help subscribe your own church budget. (GROWTH IN CHRISTIAN STEWARDSHIP: CHRISTIAN FAMILY STEWARDSHIP: WEEKEND STEWARDSHIP REVIVAL: and/or others.)

(6) That every church place March 16, 1971 on your calendar and encourage church leaders and members to attend ASSOCIATIONAL STEWARDSHIP WORKSHOP.

Respectfully submitted,
Earl W. Howard, Chairman

STATE MISSIONS REPORT

Report #8

State Missions aim is to reach the people and places that cannot be reached by the churches.

State Missions is our way of showing concern in an organized way to carry out God's will.

State Missions has more than 30 missionary activities, including Fruitland Baptist Bible Institute, providing chaplains for delinquent youth, witnessing to TB patients, prisoners, servicemen, resort ministry, and telling of God's love to over 6,000 deaf in N.C. by means of sign language.

To move forward in the 70's is our thought at this time. I take these words from our Baptist Convention General Secretary-Treasurer, W. Perry Crouch.

"1. We must teach and preach the whole gospel of our Lord.
2. We must put more emphasis on developing people in the image of God.
3. We must become more conscious of the needs of our world.
4. We must have intellectual integrity in our churches."

Jesus told us what constituted a church and what they were to do, but not how to do it. This is our job.

State Missions is concerned as it extends its arm of Christian fellowship to meet the needs of all the people in the 70's.

William Edward Cash

REPORT ON HOME MISSIONS

Report #9

The Home Mission Board is observing its 125th anniversary year with gratitude to God for his favor and appreciation to Southern Baptists for their support during the past century and a quarter. Though society has changed drastically and the contemporary scene is often disturbing, the Board's basic task remains unchanged - Our Land for Christ. Fulfillment of this task is well illustrated by the record of this past year.

CRUSADE OF THE AMERICAS. Rallies were conducted in 37 major metropolitan areas in cooperation with the Sunday School Board. Three films for color telecasts were produced with assistance of the Radio and Television Commission.

BAPTISMS. Southern Baptist Churches reported 368,225 baptisms for 1969. Out of this number 69,359 were reported through Home Mission Board activities.

ESTABLISHMENT OF NEW CHURCHES AND MISSIONS. In spite of the lack of adequate funds, there were 370 new missions and 97 new churches reported for 1969. This same year Pastoral Aid was received by 428 ministers. Also, 142 loans were granted for $3,816,303. An additional 85 loans were executed for $4,550,900. The total number of churches served was 227 with total loans of $8,367,203.

MISSIONARIES. The Home Mission Board appointed 585 new missionaries, bringing the total number to 2,235. Other missionaries appointed were Student Summer Personnel, 922; Christian Service Corps, 74 short-term and 40 long-term; 31 youth groups with a total of 1,175 young people, accompanied by 100 adults.

MINISTRY TO ALL PEOPLE. The Home Mission Board continued to work with other agencies to implement the crisis statement. Program leadership has been provided by the assignment of missionaries to fields with critical needs and also by encouraging the involvement of Southern Baptists in local efforts to meet such needs. Through materials and counseling 200 churches have been helped to begin church community weekday programs. Volunteers were enlisted in three states to serve as literacy missions resource personnel to promote and train volunteers at the local level. The spiritual and physical needs of migrants were ministered to by 14 state conventions, 26 associations and 90 churches. Assistance was given in establishing 50 new volunteer ministries to youth and families. It is estimated that some type of youth and family service ministry is being conducted in 175 associations.

ASSOCIATIONAL MISSIONS. The program of Associational Administrative Services worked with Rural-Urban, Metropolitan and Pioneer Missions Departments and state convention leadership in developing the administrative part of an associational missions program. Conferences and personal assistance in administrative procedures were provided to associational, state convention and Southern Baptist Convention program leaders.

SPREADING THE WORD. Missionaries and mission leaders have been assisted in securing Scriptures. The large type New Testament has been provided for the aged, for elementary students whose readers in school have large type, for people who have limited light in the home to study by, and for those with limited eyesight. Also, in 1969 there were 53,396 enrolled in the Correspondence Bible Course.

Mrs. Oliver Davis

REPORT OF FOREIGN

Report #10

"The Missionary Enterprise has grown to be a very large undertaking both from the standpoint of the number of people involved, the vast extent of the work, the multiplicity of the type service, the intricacy of the program, and the large amounts required for its ongoing. It is altogether a work of faith..." The foregoing statement by Dr. Baker J. Cauthen, Executive Secretary of the Foreign Mission Board indicates the depth we are involved in carrying the message of the gospel of Love around the world. At the close of 1969, Southern Baptist missionaries under appointment number 2,490 in 71 geographical or political entities. Between January and May, 1970, 18 more have been added. Although this year sets a new record for missionary appointments, several hundred calls for new missionaries on the field are still unanswered.

Underlying all our missionary endeavors is the ultimate purpose of leading others to new life in Jesus Christ and the cultivation of New Testament Churches. At the end of 1969, the number of churches totaled 5,303; 7,375 mission points and 4,574 national pastors. Also reported were 54,994 baptisms and 631,259 church members.

Schools and student work has always been a work of vital importance in the missionary endeavor. The 758 schools, in 43 countries, with which our missionaries are related enrolled 93,005 students and were staffed by 3,150 national and 460 missionary teachers and administrators. Schools included 60 theological institutions and 5 women's training schools.

With the rise in literacy, publication work has unprecedented opportunity to confront multitudes with the Christian Message. Literature in the language of the people has become increasingly important.

During 1969, the Foreign Mission Board provided emergency funds for the relief of human distress in Nigeria and Vietnam and in Chile where severe drought brought much suffering. Two welfare and health centers were opened in East Pakistan. Missionaries in Vietnam formulated a long-range program of benevolent ministries - to include health centers, day care centers, and family counseling as well as to continue to assist in meeting emergency needs as they arise.

Total contributions of Southern Baptists for foreign missions amounted to $31,005,796 as 1969 closed. Always there are financial needs above the resources which Southern Baptists made available to foreign missions. Several million dollars worth of land, buildings, and equipment continue to be needed urgently on the overseas field.

Many of our people in the Flat River Association as well as throughout the State will come to a great awareness of the fields "white unto harvest" as Mr. and Mrs. Ray Frye, missionaries to Malaysia, are among us for this year. Let us pledge our support to them as well as all our other missionaries. Let our support be manifested through prayer, gifts, and dedication of ourselves to God, the Creator of all people everywhere.

Respectfully submitted,
Mrs. Warren T. Bush

REPORT ON THE AMERICAN BIBLE SOCIETY

Report #11

The American Bible Society is a world wide missionary organization working actively with the Southern Baptist Convention in the distribution of God's Word. Since its foundation in 1816 it has served as the church's missionary agency for translating, publishing and distributing God's Word around the world.

The Society's approach in 1970 has been to work more closely than ever before with the churches, encouraging Scripture distribution both to those on the rolls and through them to the unchurched. The Society is also encouraging a return to daily Bible reading through its literature.

For the year 1969 the Society distributed 403,000 copies of Scripture in Braille or on records and tapes. Scripture distribution in the United States totaled 76,216,553 copies, and worldwide distribution totaled 145,335,092 copies.

These figures show only a small segment of this great missionary effort worthy of our continued support and prayers.

SUPERINTENDENT OF MISSIONS

Report #13

How does one describe the opportunities of being a Superintendent of Missions in Flat River?

There have been moments of great joy and moments of frustration. It has been amazing to see the spiritual development of ministers and churches. It causes you to know there is a God and that He is a powerful force of this world.

We have lost five of our fine pastors to other areas or religious vocations. These men were Leslie Giles, Alden Hicks, Warren Bush, Howard Wimmer, and Ronald Shelley. The ministers who have remained in this association have been true leaders and have assumed additional responsibilities. We have capable pastors who are concerned for the total spiritual needs of the people in our association.

We have emphasized new forms of ministries this year. The Butner Ministry has involved several hundred of our people. These church members visiting the mentally retarded at Murdoch Center have proved that we need to commence our work there. It is the desire of many to develop this ministry to reach and be involved in total institutional complex. We must find at least $3,000 within our churches to begin this ministry in 1972.

The Kerr Lake Resort Ministry could be determined partly successful. The ministry underwent many growing pains. These experiences have taught us that the guidelines for this ministry must be drawn more accurately. These guidelines will reflect the churches, association, convention, priorities of personnel, activities, etc.

We have begun an emphasis to shift our association from a promotional agency to a mission agency. This is causing us this past year to re-examine our approaches. Training and leadership developments were two areas we worked in this past year. Under directorship of Mr. David Blackwell, Mr. Ray Morgan, Mrs. James R. Frazier, and Mr. George Gresham, there have been over 1100 total church members involved in some form of development work this year.

There are statistical data which reflect the activities of the association. However, I see no need to list these factors. These facts can be computed by adding them up from monthly newsletters of the association. The future of our association is only limited by our unwillingness to follow the leadership of the Holy Spirit. May we keep tentative suggestive yearly goals before us:

1970-71 - Research Studies in Christian Social Ministries to the Institutions.
1971-72 - Operate our Resort Ministries on Kerr Lake Reservoir.
1972-73 - Appoint three Research Study Committees, Education, Administration, and Mission.
1973-74 - Interpret the new associational structure
1974-75 - Begin operation under new associational structure and stewardship.
1975-76 - Begin work in Student Ministries.
1976-77 - Inaugurate studies in Industrial Ministries.
1977-78 - 185th anniversary in World Missions.
1978-79 - "Expect great things from God - Attempt great things for God."

REPORT ON EVANGELISM

Report #14

In Associational evangelism clinics a strong emphasis was placed upon: Shapin the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism Some churches across the state experienced outstanding revivals as a result of de pendence upon the Holy Spirit, genuine prayer, careful planning, and involvement c adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32 - "This Jesus hath Go raised up, whereof we all are witnesses." In his book, "Exploring Evangelism," Men dell Taylor reminds us of this tremendous truth: "When Christians fail to evangelize the very existence of the church is threatened. Evangelism is indispensable in the lif of the church." All Christians can reveal to the world a greater concern for evangelism and total Christianity.

New materials on lay witnessing written by Dr. Kenneth L. Chafin and other SBC leaders will be available by January 1, 1971 in the Baptist Book Stores. Training clinics on the use of these materials for pastors and laymen will be held in all associations during 1971.

An Evangelism Research Seminar has been planned at Southeastern Seminary, Wake Forest for October 5-6, 1970. This seminar will include an in depth study of five papers related to evangelism.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on Feburary 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

REPORT OF CHRISTIAN LIFE COMMITTEE

Report #15

WHAT IS IT?

A Christian Life Committee is established by a local Baptist church or an association. The committee is usually a small group of from three to five concerned people with specific assignments in the field of applied Christianity.

WHY HAVE A CHRISTIAN LIFE COMMITTEE?

Clearly, the need is great in these times for Baptists to carry their Christianity out of the church buildings and into all areas of everyday life.

Many church members and church leaders want to use their talent, imagination, and creativity in new ways to share their faith in Christ with their communities. A working Christian Life Committee will help use these talents to the fullest. Churches are seeking ways to grow spiritually and minister effectively. Baptists believe the decision to receive Christ as Savior and Lord is the first step in Christian living and it must be followed by spiritual growth and responsible ministry.

A Christian Life Committee can be the unifying and guiding force to discover human needs, evaluate resources, inform constituents, plan and execute action, and help the people of God apply Christian principles in every area and relationship of life. Flexibility is the key to the committee's maximum usefulness.

WHAT IS ITS PURPOSE?

The purpose of the Christian Life Committee is to magnify the importance of matching Christian belief with Christian behavior. The committee assignment is to implement this concern.

WHAT IS ITS TASK?

The committee's task involves both a program of moral education and of Christian social action. It should strive to educate Baptists on the claims of Christ in their daily lives. It should also initiate, or cooperate with, efforts to lift the life of the community to the standards of God in Christ.

WHAT ARE THE AREAS OF CONCERN?

The areas of Christian social concern are many and are ultimately determined by the committee itself. There are at least five areas which the committee should consider emphasizing: (1) family affairs; (2) human relations; (3) daily work; (4) moral issues; and (5) Christian citizenship.

Special areas of concern could include such varied things as abortion, aging, alcoholism, anti-Semitism, artificial insemination, capital punishment, relationship between church and state, citizenship, Communism, crime, daily work, design making, economics, extremism, family life, foreign policy, gambling, homosexuality, international relations, juvenile delinquency, labor, leisure, mass communication and censorship, mental health, narcotics, pacifism, planned parenthood, population explosion, poverty, prostitution, pornography, race, sex, social action, tobacco, United Nations, unwed parents, urbanization, venereal disease, war-peace.

WHAT RESOURCES DOES THE COMMITTEE HAVE?

There are a number of sources to which the Christian Life Committee can turn for help. Within the local community, lawyers, doctors, teachers, social workers, and welfare agencies can provide help.

Basic resource agencies, however, are the Christian Life Committee of the state convention and the Christian Life Commission of the Southern Baptist Convention, 460 James Robertson Parkway, Nashville, Tenn. 37219.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. 1970

REPORT #16

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely rec-

ognized for its qualities of service and pioneering spirit. Sons and daughters of th Children's Homes are scattered throughout the world. They are actively engage in all walks of life and are making a significant contribution to the uplift of mankin as a result of their early Christian training made possible by North Carolina Bap tists and other friends.

Baptist child care and family services for Eastern North Carolina are coordinat ed through the office of the Superintendent of Kennedy Home. The main campus located on a 1200 acre farm five minutes west of Kinston, has twelve cottages whic accommodates from ten to twelve children each. The campus at Odum Home and reg ional offices in Raleigh and Fayetteville are additional points through which thes services are administered. An area of great growth in recent years has been th increase of foster homes from one to fourteen in number.

Recent construction has provided two of the most modern brother-sister resi dences plus two individual houses for staff families. Currently being complete is a new infirmary of modern design, and a new multipurpose recreational build ing.

The most exciting development for this section is the TEN STAR BUILDER PROGRAM which proposes to raise two and one-half million dollars for imme diate and long-range expansion of child care and family services in the East. Thi will permit the renovation or replacement of old facilities and will result in a greate quality and variety of services.

The contribution of our Baptist people through the Cooperative Program, th Thanksgiving Offering and special gifts are essential to our continued operation an are received with deep appreciation. An increasing number of friends are finding rewarding stewardship opportunity through the establishment of trusts for the Home and by means of wills and estate planning for the needs of dependent children. Mem bers of the staff are available for consultation in estate planning and the preparatio of wills.

Members of the Board of Trustees and members of the staff of the Homes ar dedicated to the program of child care that will merit the undivided loyalty and suppor of our people and that will be worthy the blessings of our Lord. We convenant with yo to face the future as we have the past: to offer Christian nurture to children in dis tress in the name of Christ our Savior and Lord.

Helping to meet the needs of the children gives each of us an opportunity t show our love for Christ. For he said, "In as much as you have done it unto on of the least of these ye have done it to me."

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Report #17

God has blessed our Homes for the Aging through all of our nineteen years and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sin cere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes

esthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Al-emarle Home, in Albemarle; the Hamilton Home, in Hamilton; and the Yancey-ille Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February o help us reduce the alarming deficit in the operation of the Homes. This plea as heard, and the offering, of $168,349.34, from July 1, 1969 through June 30, 970 from our Baptist Churches, has exceeded all other offerings in previous years. low grateful we are for this increase. We want to urge our people, however, to ontinue giving liberally to our Homes and to remember that we are still confront-d with the staggering cost of living and the great need to strengthen the total econ-my of the Homes as we try to move forward in developing and expanding this vital inistry to the aging.

or example, even though our offering reflects an increase over the previous year, is increase will only take care of approximately half of the additional amount ecessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our resent Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North arolina, have offered a gift of $80,000.00 to the Homes for this purpose, contin-ent upon the Homes raising an additional $80,000.00 by September 1, 1970. If is proposal is fulfilled, 10 to 12 additional rooms would be made available, with ccommodations for 20 to 24 people, and bringing our total nursing care capacity o 80 beds. We appeal to Baptist people to pray for the success of this very special roject in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture nd love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, or this ministry. We shall continue to look to Him, and to our people, on behalf f these to whom Christian love means so much, in the faith that our needs will be upplied.

As of June 30, 1970, twenty-three churches in Flat River contributed $1350.84 o the Homes.

Respectfully submitted,
Garland Catlette

BAPTIST HOSPITAL REPORT

eport #18

Our Baptist Hospital continues to grow, in spite of its serious problems. Phy-ical growth is the result of the long-range development program which has already een the completion of the new power plant, the School of Nursing and Allied Health uilding, and the additions to the Medical School. Construction of the new patient ower is progressing, after some delays, and is expected to be completed by mid-972.

There is continued growth in the quality of patient care provided. There is im-roved equipment in the heart diagnostic center in the fight against heart disease; he department of nuclear medicine continues to make progress in the diagnosis nd treatment of some of our most dreaded diseases; the stroke center renders aluable service in the study and treatment of strokes and brain tumors. New quipment for the Intensive Care unit includes an instrument which is attached

to the patient and measures his heart action and blood pressure; if either varie from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financia crisis the hospital faces. When a doctor reserves a bed for a patient the admis sions office contacts the patient to obtain the needed information, including th type and amount of his hospital insurance coverage. After estimating the hospita bill and determining the amount of insurance coverage, the patient is notified c the difference which he is expected to bring when he enters the hospital. An ef fort is made to counsel with all patients who need financial aid and assist them i getting help.

With all the growth, one thing remains unchanged: the desire and determinatio to care for the needy sick. This has been at the heart of the hospital's ministr since it opened in 1923. Last year it ministered to 5,225 Service Patients fc 47,499 days of hospital care, in addition to the large number served in the Out patient Clinics. The free care amounted to more than a million dollars beyon what these patients, their insurance, and all sponsoring agencies paid. Nort Carolina Baptists provided $565,000 of this amount - $237,000 through the Co operative Program and $328,000 through the Mother's Day Offering. To date thi year 29 churches in our association contributed $2,817.00 of the Mother's Da Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace wit the rising costs and our hospital is running a heavy deficit. If full use is to b made of the new medical procedures and facilities in fulfilling our mission, we ar going to have to give our Baptist Hospital additional support.

REPORT ON BAPTIST COLLEGES

Report #19

During the past year some 12,000 plus students were enrolled in our sever Baptist colleges in North Carolina. Of these, some 600 have dedicated their lives to Christian service. These young people will become pastors, missionaries, directors of religious education, directors of church music, chaplains, denomina tional workers, and Christian college teachers.

The Baptist Youth Corps has moved through its second summer of operation This joint venture between the Baptist colleges and the Church Training Departmen has been a highly profitable venture for both churches and colleges.

In addition to the Baptist Youth Corps, Baptist college students are working in a number of other areas and programs: Summer Assemblies, Brotherhood Depart ment, Woman's Missionary Union, Vacation Bible School, Audio-Visual Aids, De partment of Work with the Deaf, Town and Country Department, and Interracial Cooperation Department.

Many Baptist young people want to participate in the life of the church and the denomination. Local churches can help by contacting both teams and individual students in offering them opportunities to serve.

Our youth and our colleges need our support. Sunday, June 20, 1971 has been designated as Baptist College Day. It is a time for an educational emphasis as

well as a day to support financially our colleges. Indeed, they stand in need of our best support.

REPORT OF THE GENERAL BOARD OF THE BAPTIST STATE CONVENTION OF NORTH CAROLINA

Report #20

The General Board of the Baptist Convention met three sessions this year for two days each. The Executive Committee of the Board meets each month.

Mr. Leon Spencer, Comptroller of the Convention, reported that as of August 7, 1970, Cooperative Program receipts were 2.24% over last year. He said the month of July closed with receipts being 3% over the preceding year, and that $700,000 had come in during the month of July to be distributed among all causes supported by the General Board program. He further indicated that State Missions receipts are $3,000 over this time last year, and that gifts to the Homes for the Aging have shown the most significant increase of any of the agencies or institutions. Contributions at this time are $160,000 or about $26,000 more than at this time last year.

One Million Dollar Loan Requested By Baptist Hospital. The Board recommends this be brought to the Baptist State Convention at its session meeting in Greensboro in November.

Campbell College requests that the Board approve the loan of $1,900,000. If the Board approves, it goes to the State Baptist Convention in November.

Dr. Benjamin Fisher, Director of the Council of Christian Higher Education, resigned to become Director of the SBC Education Commission. This is a great loss to the N.C. Baptist Convention but a gain for the Southern Baptist Convention.

REPORT OF THE ANNUITY BOARD

Report #21

"Good experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of January 1, 1970. Briefly, here is how it works.

For the active member and his family the stipulated amounts of eligible benefits in Plans A 10 and A 11 (formerly Southern Baptist Protection Plan) now are the minimum. The "good experience credit" will be extra - over and above the minimum. For 1970 the "good experience credit" will be about 2% of the retirement credits accrued as of that date. The amounts credited in the future may vary, depending on interest earned.

Most retired members are finding the "good experience credit" in their 1970 monthly checks which are 4% larger. In addition, these members received the "13th Check" in February. The "good experience credit" and the "13th Check"

are realities because interest earnings were in excess of what was required actuarially by the plans.

For the fourth consecutive year the Annuity Board mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

Since 1918 the Annuity Board has paid $73,717,267. in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs administered.

If the "good experience credit" had been the only accomplishment, 1969 would have to rank as one of the most successful years in Board history, but there were other impressive accomplishments.

The Flat River Baptist Association has the following churches participating in the Protection Program: Amis Chapel, Bullock, Butner, Corinth, Hester, Dexter, Enon, Fellowship, Florence Avenue, Grassy Creek, Island Creek, Mountain Creek, Mount Zion, Olive Grove, Peace's Chapel, Pleasant Grove, Providence, Rock Spring, Stovall, Tabbs' Creek, West Oxford, Oxford Baptist, Creedmoor First, Delrayno. Rev. W.J. Edwards and the Flat River Baptist Association are also enrolled under the program.

Scott Harkey

SUNDAY SCHOOL REPORT

port #28

The Sunday School is the key organization of the church teaching the Bible. ere is a great increase in the need for better Bible teaching in our Associa-on.

The last of January, I attended the Regional Interpretation Clinic for two days Greensboro. In February, there were four nights of the Interpretation Clinics ld in the Association; February 12th at Creedmoor Baptist Church; February th at the West Oxford Baptist Church; February 19th at the Island Creek Baptist urch; and February 26th at the Mountain Creek Baptist Church. All of these eetings were well attended. Literature was passed out to all the churches of e Association.

In April I attended a briefing meeting at Hayes Barton Baptist Church in Raleigh. ew materials for the 70's were discussed.

In September there were two Sunday School and Church Training classes held

for all officers and workers of the Sunday School. On September 3rd, this clas was held at Creedmoor Baptist Church and on September 17th the class was hel at the Stovall Baptist Church.

Under the leadership of Mr. Walter Coleman, associational Vacation Bibl School director, there were twice as many people involved in the associationa VBS clinic this year as was last year. All the faculty for this clinic were traine at the state clinic in Wingate in January. Another innovation was that of conductin two center clinics this year with approximately 186 total people trained. A Missio Vacation Bible School was conducted this past summer at Bullocksville in beha of the Enon Baptist Church, the young people of the Enon Church and Mr. Don Pag with approximately thirty participating.

David Blackwell

CHURCH TRAINING REPORT

Report #29

We have experienced about two decades of dwindling enrolments and decreasi attendances. We might attribute this to a number of causes and hear a variety reasons which are insightful and reasonable. Someone has said that if the medic doctor is not sure, or does not know, what a rather new illness is, he is safe calling it a kind of virus. Our anemic and weak spirited state may be a virus sa ping our energy and strength. We seem to need a shot in the arm that will enlive and ward off further crippling effects. The Church Training arm of our organiz denominational life seeks to foster more effective work and witness through bett informed, better qualified individuals. It seeks to give proper recognition to the vit need of a trained membership. Programs without organizations are wishful thinki or hazy goals of good intentions. Organizations without programs are idle fello ships. Organizations and programs without workers are but blueprints at be When you add people, that for whom Jesus came to die, to organizations and pr grams you have an organism. When you have a trained and dedicated organis you have power and results. We have not failed as much from lack of progra as we have failed by uninspired people. We have fallen victims of the erroneo idea that we can do the work of an elected church office with little time or stu We are all too satisfied to do our job in a similar manner to that of our predece sor. Have we lost the idea that our predecessor may have done the job incorrec or skimpingly? We justify our occupational work or gainful position by the amou of training and experience. Will not the same rule work if applied to our servi through a job in the church?

Actual meetings and programs held over the past associational year have be in four aspects. The first to consider was the traditional Mobilization Night h at Providence Baptist in November. Second, was early in January when we sha in some Interpretation Clinics held in the state by convention and state lead in Church Training. Third activity was the four area Interpretation Clinics h in the month of February seeking to acquaint our Baptist membership, throu church elected program leaders, the new convention organizations and materi for 1970. Our more recent effort at church training has been group conferences h at two strategic geographical centers in our Association to give assistance to 19 71 elected church personnel. The number reached in the four Spring meetings w

gratifying and significant.

Church training need is present anywhere a small number of people are unsatisfied with selves, results, or the way other people run the church. The need can be in any area of programmed work or service, without respect to name of unit or when it regularily or infrequently meets. Church training is in progress when people come together for any desirable and worthwhile goal. Church training is needed for proficiency, effectiveness, continuity. Let us train if we do not wish to detain God's purpose through us.

Ray B.W. Morgan

MUSIC REPORT

Report #30

NOTE: This report was not available for the annual meeting nor to the clerk when materials were being prepared for the associational Annual.

CHRISTIAN LITERATURE REPORT

Report #31

The 1970-71 church year will usher in an exciting new decade. Churches will face a challenging task in a constantly changing world. Southern Baptist agencies have worked for a decade to discover how to help churches meet the challenges of the 70's.

One of the greatest aids to be made available is the new grouping-grading system which will be followed by all church program organizations. It will provide the structure around which curriculum and other activities are planned.

Equally as important is the church literature for use in October, 1970. It has been designed for use with the new grouping-grading system. Its content will assist churches in their mission during the 70's.

The Bible will continue to be the foundation for the total curriculum. We affirm the statement on the Bible in "The Baptist Faith and Message." We hold the Bible to be our authority for faith and practice. We turn to the Bible to learn the way of salvation and the standard of Christian living. We search the Bible as the authority and guide for a church's teaching ministry, as subject matter for Christian faith and character, and for Christian learning and development.

The Bible is God's message to men. It is the criterion for moral values and human responsibility.

Church literature will be offered in five series. This will enable the Convention agencies to offer and churches to select literature to more adequately meet their needs. The following series will be available: CONVENTION UNIFORM - for Adults and Youth; LIFE AND WORK - for Adults and Youth; FOREFRONT - for Adults; FOUNDATION - for Children and Preschoolers; SUPPORT - for Leaders, Members, and Families. A church may select to use materials for Adults and Youth from more than one series.

The leisure-reading periodicals for children and youth have been redesigned to

fit the new grouping-grading plan. MORE - the periodical for the younger children (6-7); ADVENTURE - the periodical for older children (8-11); EVENT - the periodical for all youth (12-17).

PEOPLE, a new monthly magazine, has been designed to offer fresh, informative articles on a wide variety of subjects, people, and events of interest to adults. PEOPLE has made possible a significant change in HOME LIFE, which will become in October, 1970, a parents magazine. The new HOME LIFE is designed to meet the needs presently served by the following four magazines: LIVING WITH CHILDREN, EVERY DAY WITH BEGINNERS, EVERY DAY WITH PRIMARIES, and HOME LIFE.

HOME LIFE will approach contemporary areas of adult concern from the specific base of family and parental concerns while PEOPLE will approach subjects from the broad base of adult interests in general.

Emphasis is given to leisure-reading periodicals because of the extra effort and special decision needed for these periodicals to be provided through the church.

Sterling Dalton

HISTORY OF GRASSY CREEK BAPTIST CHURCH

We are indebted to the late Elder R.I. Devin, pastor of Grassy Creek for thirt years and author of "THE HISTORY OF GRASSY CREEK FROM ITS FOUNDING TIL 1880," for the early data, given herein. He had access to records from 1769 which wer later lost. The records are intact since 1832.

Granville County was formed in 1746. Among its first permanent settlements wer those along its northern border on Grassy Creek near the Virginia line. They soc began holding worship services and by, or before, 1754 had constructed a large fram building and had founded the church for Divine worship. The church soon became flourishing body with a large membership. Although the church was founded in 175 the Historians doubt it was duly constituted until 1755-1757. The site was sixtee miles from Oxford, N.C. and about two miles from the Mecklenburg County, Virgini state line, taking its name, Grassy Creek, from the stream flowing nearby.

The name of Elder Shubal Stearnes plays an important role in the History of Nort Carolina Baptists and of Grassy Creek Church. He was a New Englander, who in 175 with a small group of Baptists, set out on a southern excursion to proclaim the gla tidings of salvation in portions of our county, which were more destitute of the preach ed gospel. He visited Grassy Creek several times with Daniel Marshall. Elder Stearne writing our Church Covenant in 1757 and duly constituting the Church about 1755 t 1757. He baptized our first pastor, James Reed, about 1755 or 1756. Mr. Reed wa ordained to the ministry about a year later.

Grassy Creek was associated with the Sandy Creek Association which was forme

n 1758. It was at the 12th Annual Session of the Association meeting at Grassy Creek in 1770 that the Association was divided, forming one in South Carolina and irginia, the Sandy Creek being retained in North Carolina. At this meeting, Grassy reek joined the Middle District Association of Virginia, joining the Roanoke Virginia ssociation in 1784; and the Flat River, when it was formed in 1784.

In November, 1839, the North Carolina State Baptist Convention met at Grassy reek with six associations sending delegates; namely, Raleigh, Cape Fear, Sandy reek, Beulah, Goshen, and Flat River. Thirty-two churches were represented.

Many great seasons of revival are noted. One in 1811 continued eleven days. In 913 the revival conducted by the late Rev. Fred N. Day of Winston-Salem resulted in eventy-eight converts.

We note the missionary spirit of Grassy Creek from its beginning. She was the enter of denominational activities for a century and a quarter, extending her influence nd activities afar. Many churches were formed out of her membership or with her ssistance in Virginia, and in Edgecombe, Warren, Person, and Granville Counties in lorth Carolina. Some are Island Creek, taking twenty-four members in 1820; Tabbs Creek; Olive Branch; Amis Chapel; Hester; Mountain Creek; and later Stovall; Bullock; tate Line; Averette; and perhaps others. In 1873 the Christian colored people, who ere members, with us, were helped to organize the Jonathan Creek Baptist Church nd to transfer membership. It was not until 1886 that all had transferred.

In 1829 a missionary society was formed and one hundred dollars collected whose im was to supply the gospel to the destitute in our State. In 1879, seeing the need of nissionary work around us, a committee was appointed to organize Sabbath Schools, rayer meetings and revive interest generally. Many appeals for financial aid were re-eived and responded to. In 1947 and 1948, a foreign missionary was supported by the Church.

In 1883 a new and commodious frame building was located 200 yards across the oad from the old building of 1754. It was kept in repair until 1935 when the present uilding was erected giving adequate space at the time for enlargement of the church's raining program. With a dedicated building and finance committee, and under the uidance of our pastor for 19 years, the Rev. J.U. Teague, the dedication took place n October 26, 1936.

The church voted in 1964 to construct the annex to the rear of the building, adding lass rooms, pastor's study and rest rooms. In 1968 the front of the church was re-odeled and the steeple added which added to the beauty of the church. On October 0, 1968, the steeple was dedicated in memory of Sp4 Charles Daniel, who lost his fe in the service of his country in South Vietnam on January 31, 1968. He is the only asualty listed from the church in any war. Rev. Robert R. Boone, Jr. was pastor during nis time. A new piano and electric organ were bought greatly reviving interest in the hurch music program.

In 1950 we went half time with Mountain Creek with Rev. Dennis M. Larkins, pas-or. In 1946 we had bought a share in a parsonage in Oxford which was sold in 1960. n November 8, 1959 we voted to go full time and called the Rev. Glen Holt as pastor. e began his services with us on January 7, 1960. Taking the proceeds from the sale f our share in the parsonage in Oxford, we erected one adjoining the church on ground onated by Mr. and Mrs. C.C. Timberlake. It was dedicated March 26, 1961. Having full time pastor was a significant move in the life of our church. Two worship ser-ices each Sunday were begun and interest was revived in all organizations. Mention s made of the strong organizations, namely, Sunday School, W.M.S., B.T.U., and hurch Music. The Rev. Maylon Kearney is now pastor having come to us December

1, 1969. There has been continued progress in the programs of the church. Under th blessings of God she has maintained a progressive membership which now number 381. There have been many faithful members and dedicated leadership in all areas o our church which contribute greatly to the progress of the church.

HISTORY OF DELRAYNO BAPTIST CHURCH

The Delrayno Baptist Chapel, later to become the Delrayno Baptist Church, was organized on May 3, 1959. The Oxford Baptist Church became aware of a need for a mission in the northern section of Oxford. The possibility of such a local mission project was presented to a group of ministers of other local churches and then was presented to the Flat River Baptist Association. After due time and prayerful study and deliberation, under the committee's leadership, the Oxford Church made ready to begin the work. An agreement was made with the Masonic Lodge No. 122 for use of their building. The Rev. Tom Jones was called on April 1, 1959, to lead the work of the Oxford Baptist Missions Committee:

In March, 1960, the Oxford Baptist Church approved the appointment of a Survey and Planning Committee whose tasks were to study the membership of the Delrayno Baptist Chapel and to search for suitable real estate for a further location. The Committee recommended that the church purchase the Lake Ray Property and present it to the Chapel. This request was gracefully granted by the Oxford Baptist Church.

The organization of Delrayno Baptist Church was held on October 2, 1960 with 88 Charter members. The Rev. Tom Jones being called to pastor the church on October 1, 1960.

The ground breaking service for a new building was held on Sunday, February 18, 1962. The construction of a new building of contemporary design was to begin in March or April of 1962. The first service was held in the new church on October 14, 1962.

May God grant His blessings upon this new church and upon the Oxford Baptist Church and all those that made it possible.
